WHAT KIND OF TITAN WILL YOU BE?

UWO GUIDE

**YOUR GUIDE TO THE FIRST YEAR
2023 | UWOSH.EDU**

UNIVERSITY OF WISCONSIN
OSHKOSH

WELCOME TO THE UNIVERSITY OF WISCONSIN OSHKOSH

WELCOME TO THE TITAN FAMILY! WE'RE EXCITED YOU'RE HERE.

The UWO Guide contains information and resources dedicated to helping you during your transition to college and throughout your time here. At UW Oshkosh, student success is at the heart of all we do.

Departments and staff from across campus contribute to the guide with the hope that the new information you learn about UW Oshkosh will help you make the most of your experience as a Titan.

This publication is for all new Oshkosh campus students—whether you are a first-year or transfer student. It has been designed for you to use during Titan Takeoff and throughout your student experience.

There are four sections in the UWO Guide: Learning at UWO, Life at UWO, Making Your Home at UWO and Things to Know at UWO. It includes some of the departments and services—and the people, places and things—that will be part of your daily life. New Student and Family Programs takes a holistic approach to your transition to the UWO undergraduate experience by considering all aspects of collegiate life.

We want to assist you with navigating campus, creating a safe and respectful environment and achieving success as a Titan. This guide will provide you with information to achieve academic success, get involved on campus and understand programs that will extend your classroom into the Oshkosh community. UW Oshkosh provides a high-quality liberal education to all students and will prepare you to become a successful leader in an increasingly diverse and global society.

This is an exciting start for all new students, and we're glad you're here. We can't wait to see all that you will achieve.

Again—we welcome you to the Titan family!

Alicia Stuedemann, she/her
Director for New Student and Family Programs

Stacy Dreweck, she/her
New Student and Family Programs Manager

Emily Brooke, she/her
New Student and Family Programs Specialist

UW OSHKOSH 2023-2024 ACADEMIC CALENDAR

FALL SEMESTER 2023		
Wednesday–Saturday	Aug. 30–Sept. 2	New Student Move-in
Friday–Tuesday	Sept. 1–5	Titan Welcome: New Student Orientation
Wednesday	Sept. 6	Begin first 7-week; 14-week term
Tuesday	Sept. 12	Last day to drop first 7-week course for 100% tuition refund
Tuesday	Sept. 19	Last day to drop 14-week course for 100% tuition refund Last day to drop first 7-week course for 50% tuition refund
Tuesday	Oct. 3	Last day to drop 14-week course for 50% tuition refund
Friday	Oct. 20	Last day to drop a 14-week course without late drop or withdraw request
Wednesday	Oct. 25	Begin second 7-week term
Saturday	Oct. 28	Family Day and Homecoming
Wednesday–Sunday	Nov. 22-26	Thanksgiving recess (begins after classes on Nov. 22)
Tuesday	Nov. 31	Last day to drop second 7-week course for 100% tuition refund
Friday	Dec. 15	End second 7-week; 14-week term; fall semester; official graduation date
J-TERM 2024		
Monday*	Jan. 8, 2023	Begin 3-week J–Term
Monday	Jan. 15	Legal holiday, Martin Luther King Jr. Day—No classes
Friday	Jan. 26	End 3-week J–Term; official graduation date
* J–term: classes will meet on Jan. 8–12, 16–19, 22–26		
SPRING SEMESTER 2024		
Monday	Feb. 5	Begin first 7-week; 14-week term
Sunday	Feb. 11	Last day to drop first 7-week course for 100% tuition refund
Sunday	Feb. 18	Last day to drop 14-week course for 100% tuition refund Last day to drop first 7-week course for 50% tuition refund
Sunday	March 3	Last day to drop 14-week course for 50% tuition refund
Sunday-Sunday	March 24-31	Spring break
Monday	April 1	Begin second 7-week term
Sunday	April 7	Last day to drop second 7-week course for 100% tuition refund
Sunday	April 14	Last day to drop second 7-week course for 50% tuition refund
Friday	May 17	End 7-week; 14-week term; spring semester; official graduation date
MAY-TERM 2024		
Monday**	May 20	Begin 3-week May–Term
Monday	May 27	Legal holiday, Memorial Day—No classes
Friday	June 7	End 3-week May–Term; official graduation date
** May–Term classes will meet on May 20–24, 28–31; June 3–7		
SUMMER SEMESTER 2024		
Monday	June 17	Begin 1 st 4-week term; 8-week term
Thursday	July 4	Legal holiday, Independence Day—No classes
Friday	July 12	End of 1 st 4-week term
Monday	July 15	Begin 2 nd 4-week term
Friday	Aug. 9	End 2 nd 4-week; 8-week term; official graduation date

UW OSHKOSH 2023-2024 TUITION PAYMENT DEADLINES

FALL 2023	FINANCIAL AGREEMENT TERMS (NO PREPAYMENT PENALTY)
Sept. 21	Minimum 10% of total balance due
Sept. 22	\$25 late fee assessed if at least 10% payment was not made
Oct. 2	1% finance charge on remaining account balance
Oct. 27	Minimum 45% of total balance due, bringing total paid to at least 55% of account balance
Oct. 30	\$25 late fee for those not making second payment
Nov. 1	1% finance charge assessed on any remaining balance
Nov. 27	Remaining balance due
Nov. 28	\$25 late fee for those not making third and final payment for the term
Dec. 1	1% finance charge on remaining account balance

ACADEMIC COLLEGES

COLLEGE OF BUSINESS
uwosh.edu/cob

Engagement, innovation, personal and professional development, and continuous improvement define the College of Business. UWO is the only business school in northeastern Wisconsin nationally accredited by the Association to Advance Collegiate Schools of Business (AACSB). With nine undergraduate majors covering every key business function, three MBA delivery options, a Data Analytics Certificate, and four collaborative master's programs (business administration, sustainability management, information technology and biotechnology), the College of Business provides students with a wealth of transformative educational opportunities.

COLLEGE OF EDUCATION AND HUMAN SERVICES
uwosh.edu/coehs

The College of Education and Human Services is long-recognized as a leader in education. The college prides itself in producing some of the best teachers in the state, boasting more than 200 alumni as Herb Kohl Teacher of the Year Award recipients. Quality courses and hands-on experience play an integral role in preparing students to become leading educators, human service professionals and counselors. The college offers six undergraduate majors, a variety of master's degrees and licensure programs and one doctoral program.

COLLEGE OF LETTERS AND SCIENCE
uwosh.edu/cols

The College of Letters and Science is the largest and most varied college at UW Oshkosh with more than 40 undergraduate majors, a growing list of master's programs, and hundreds of faculty and staff members across three campuses. Academic degrees span the sciences, arts, humanities and social sciences.

Together, academic departments and faculty members have won more Board of Regents Teaching Excellence Awards than any other university in the UW System.

COLLEGE OF NURSING
uwosh.edu/con

The College of Nursing provides undergraduate, graduate and doctorate nursing students with the expert knowledge, clinical practice skills and critical-thinking ability necessary for success in today's healthcare industry. As the largest major on campus, the college is fully accredited by the Commission on Collegiate Nursing Education (CCNE) at both the undergraduate and graduate levels, ensuring students receive top-quality training and education. The Doctor of Nursing Practice–Nurse Anesthesia Emphasis is also accredited by the Council on Accreditation of Nurse Anesthesia Educational Programs. UWO nursing graduates consistently exceed the national pass rate for the National Licensure Examination for Registered Nurses (NCLEX-RN), a testament to the college's excellence.

HONORS COLLEGE
uwosh.edu/honors

The Honors College offers small class sizes and many co-curricular events to create a unique learning community for more than 500 students. The honors curriculum consists of three honors core courses as well as honors electives, which are smaller versions of required general education classes limited solely to honors students. Through these unique classes and involvement in a small, supportive learning community, the Honors College provides a rewarding academic environment for highly motivated students.

UNIVERSITY STUDIES PROGRAM

GENERAL EDUCATION, DONE BETTER.
The University Studies Program (USP) is UW Oshkosh’s general education program embracing the modern context of liberal education.

Learning Experiences
Choose USP courses that match your interests, learn about new subjects and keep on track to complete your degree in four years.

If you are starting your college career at UW Oshkosh on the Oshkosh campus, you will take two Quest courses in your first year as well as a public speaking class and a writing class. In addition to covering disciplinary content, these early-degree courses are designed to help you transition to college life by introducing you to campus resources and activities.

- In Quest I (taken first semester) you will:**
- Be in a course where enrollment is limited to 25 students per class.
 - Learn disciplinary content while exploring your campus.
 - Participate in a learning community though paired classes, which means students in your Quest I class are enrolled in the same section of your writing or public speaking class.
 - Work with a peer mentor! Returning students are chosen as “peer mentors” to help answer questions about UWO and student support resources—such as tutoring—and to help find ways for you to get involved on campus.

CONNECT WITH US

University Studies Program
Pollock House | 765 Algoma Blvd.
(920) 424-1257 | uwosh.edu/usp
usp@uwosh.edu

f USP@UWO

- In Quest II (typically taken second semester) you will:**
- Learn disciplinary content while exploring academic and student organizational opportunities.
 - Think through ethical questions related to the course topic.
 - Try out undergraduate research.
 - Explore career planning and interact with UWO alumni.

- In Quest III (typically taken your second year) you will:**
- Learn disciplinary content while exploring the Oshkosh community.
 - Apply your learning to real-world, practical experiences.
 - Extend your classroom into a community setting by working with a local nonprofit, community group or campus partner.

- Quest III Community Partners**
- Habitat for Humanity
 - Oshkosh Area Community Pantry
 - Local farmers, schools, veterans and multicultural groups

Transfer students at the Oshkosh campus may have different requirements, depending on the number of credits they have already completed at their previous institution. Visit uwo.sh/transfer for exact information for your situation.

Course Requirements
Quest courses are designated on TitanWeb as Quest I, Quest II and Quest III. Students take a Connect course (Writing 288) after completing the Quest sequence. Connect offers a reflective experience on the liberal education attained by students and uses writing as the primary mode of inquiry.

During the rest of your college career, you will take additional general education (Explore) courses chosen from different disciplines across campus. These classes allow you to explore subjects that interest you outside your major, that complement your major or that just seem fun. Now is the time to take that class in geology, archeology, theatre, English, biology or others, that you might never have investigated otherwise.

Explore courses are divided into the categories of Culture (XC), Nature (XL)(XM) and Society (XS). To help you understand cultural groups different from your background both within the United States and outside it, you are asked to take at least one Explore course focusing on Ethnic Studies (ES) and another on Global Citizenship (GC).

Signature Questions
Three signature questions, which reflect important societal issues of individual and community responsibility, are woven throughout the USP curriculum.

- Civic Learning: How do people understand and engage in community life?
- Intercultural Knowledge: How do people understand and bridge cultural differences?
- Sustainability: How do people understand and create a more sustainable world?

My Quest courses provided me the opportunities to attend campus events to get to know my peers, professors, and the many different resources for students on campus. Throughout my Quest courses, I was able to connect with many different clubs, organizations, and fellow students which made my transition from high school to college much smoother, and less nerve-wracking. The benefits of taking a Quest course are endless and never-cease.
– Pyper, current second year student

f UWOadvising **@** UWOshUARC

ACADEMIC ADVISING

Undergraduate Advising Resource Center
The Undergraduate Advising Resource Center (UARC), the central academic advising office at UW Oshkosh, is staffed by full-time professional academic advisers and Peer Advising Liaisons (PALs). The UARC serves undergraduate students in all majors with specific emphasis on students who have earned less than 45 credits, have not yet declared a major or are on academic probation. Professional advisers in the UARC are generalists (can advise for all majors), but also specialists with expertise in a specific college or program.

- Academic Advising**
Your academic adviser will spend time getting to know you, learn about your skills, interests, and values.
- Your adviser will:
- support your exploration of majors, careers, and campus resources
 - be available to meet with you each semester
 - assist in creating a list of priority and suggested courses
 - offer suggestions with academic plans to stay on track for graduation

Ways to meet with an adviser in the UARC

All options available in-person or virtually

Open Advising Available at the beginning of each new semester on a first come, first serve basis	Individual Appointments Scheduled, 30-minute appointments
Same-day service Help answer quick questions; 10-minute consultations can be scheduled	Group Advising Certain majors are invited to scheduled group advising sessions

Use these 3 Ps as you make UW Oshkosh your home:

-  **3 People** who can help
-  **3 Places** where you feel comfortable
-  **3 Patient months** to acclimate and transition to life at UWO

Did you know?

On average, **students who take 15 credits** per semester are more likely to graduate in four years.

Peer Advising Liaisons (PALs)
PALs are available in the UARC during regular business hours. PALs are trained to assist their fellow students with a variety of concerns.

PALs help determine if a student’s question or concern can be:

- answered on the spot
- a referral to another office
- addressed quickly by an adviser during same-day service
- answered in a scheduled advising appointment

If an appointment is needed, the PAL will help schedule the appointment for the student.

Faculty Advising
Eventually all undergraduate students will transition to a faculty adviser in the department of their major. Academic departments determine at which point faculty advising begins (usually based on fulfilling a certain number of credits, completing specific pre-major courses or formal admission to the college/ major). Faculty advisers help students identify graduate school and career options in their field of study as well as advise students regarding course completion required for graduation.

ADVISERS RECOMMEND THE FOLLOWING STRATEGIES FOR SUCCESS IN YOUR FIRST SEMESTER

- Stay on campus the first six weeks of your first semester.
- Check your UWO email account daily.
- Know important dates and deadlines.
- Talk to your instructors outside of class.
- Use tutoring resources early and often; don’t wait until after your first exam.
- Keep up with reading assignments.
- Use a calendar or planner to make weekly study schedules and stick to it.
- Join at least one student club or activity.
- If you must work, try to keep it under 10 hours per week.

FINALLY....
ASK LOTS OF QUESTIONS!

UWO

REGISTERING FOR CLASSES USING COLLEGE SCHEDULER

1. Sign into TitanWeb using your NetID.

2. In your Student Center under Academics, select **College Scheduler**, which will open in a new browser window.

3. Select the term you are interested in registering for. Save and Continue.

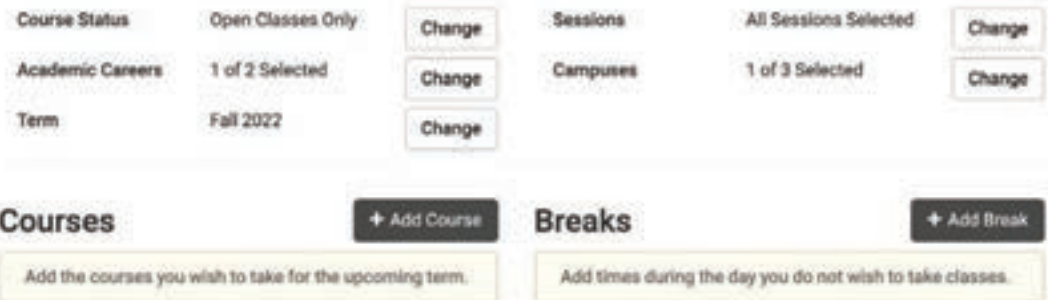

4. For your academic career, select **Undergraduate**. Save and Continue.

5. Select your **home campus**. Save and Continue.

6. Add courses by clicking on **Add Course**.

If you are an athlete, be sure to include practice times in your schedule with **Add Break**.

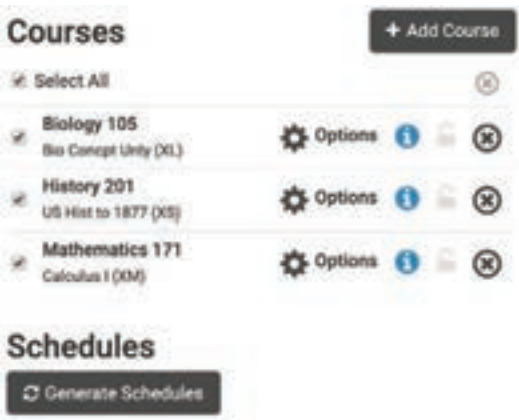

7. **Adding Quest Classes**: make sure to select an option from each dropdown menu. Once your selections are complete, click **Add Course**.

Add Course

8. Once you have added all of your courses, click **Back**.

9. Review your course list to make sure you have all the classes you need, then click **Generate Schedules**.

10. You may view schedules individually or compare up to four at a time by checking the grey box. Once you have selected your desired schedule, click **Send to Shopping Cart**. You also have the option to print your schedule.

11. In your shopping cart, select **Register**. Your registration results will then appear. Click OK to see your Current Schedule, where you can also edit or drop classes if needed.

12. To view a list of your final classes, close out of the College Scheduler Planner and return to TitanWeb. In the dropdown menu under academics, select **Class Schedule**, and then select your desired term.

ACADEMIC SUPPORT OF INCLUSIVE EXCELLENCE

The Office of Academic Support of Inclusive Excellence offers an array of cultural, educational and social programs and activities, with specialized services to enhance students' academic and personal development. We offer academic support; multicultural advising and guidance; educational forums, seminars and workshops; mentoring; and referrals to other departments and organizations both on and off campus.

We are committed to helping students achieve their fullest potential and prepare them for global leadership through an engaging co-curricular experience that embraces, affirms and transforms every student with respect for their varied backgrounds. At UW Oshkosh, differences are expected, acknowledged, celebrated and treated with dignity

INTERCULTURAL ENGAGEMENT

Intercultural Engagement is composed of two programs. Latinos Unidos Navigating Academics (LUNA) promotes the academic and professional development of Latino/a/Hispanic students (including undocumented students), and Titan Men of Diversity (TMOD) supports male students in their journey to become servant leaders, role models in their community and brothers to one another. Intercultural Engagement collaborates with a broad range of campus entities to maintain an inclusive campus environment and ensure the retention, persistence and graduation of students.

Intercultural Engagement Services

- Bilingual services (Spanish/English) – ¡Se Habla Español!
- Connections to campus resources, including financial aid
- Help applying to graduate schools, internships, career opportunities and personal branding for success
- Leadership and professional development
- Mentoring Program: academic guidance and coaching
- One-on-one cultural support
- Student advocacy
- Ties to Latino/a community
- Tutoring referrals and study skills sessions
- Multicultural campus organizations

INDIGENOUS STUDENT SUPPORT AND WELLNESS

Indigenous Student Support and Wellness (ISSW) provides academic support, cultural understanding, academic guidance and counseling referrals for Indigenous students. ISSW is responsible for providing support, services and programming that support persistence, retention and graduation for these students.

ISSW Services

- Academic guidance and coaching
- Assistance finding scholarships, internships and grants
- Connections to campus and tribal resources
- Access to Indigenous medicines
- One-on-one cultural support and mentoring
- Student advocacy
- Tutoring referrals

MULTICULTURAL RETENTION PROGRAMS

The Multicultural Retention Programs (MRP) is dedicated to the academic success of diverse students through support services, collaborations and high-impact programs and practices that lead to greater student independence, personal growth and lifelong learning. Student Achievement Services is composed of three distinct units, each targeted to meet the mission of the department and the Division of Academic Support of Inclusive Excellence.

MRP provides academic and student support services to assist in the enrollment, retention and graduation of multicultural/multiracial students, including African American, Asian American, Hispanic/Latino/a American, Native American Indian/Indigenous, Native Hawaiian/Pacific Islander and Southeast Asian/Hmong as well as underserved or underrepresented students (low-income, first-generation). Programs and services include academic coaching and tracking, leadership development, mentoring and other related services.

Multicultural Education Center (MEC) is a multipurpose resource center that seeks to bring people together to promote and celebrate diversity on campus. The MEC sponsors enrichment programs and activities, serves as a resource for faculty, students, staff and the community, and is the embassy for all multicultural/multiracial and international students.

PreCollege Programs are academic summer camps for middle and high school students to expose students to the college experience and life as a Titan.

MRP Services

- Academic guidance and coaching
- Connections to other campus resources
- Financial aid and financial literacy information
- Leadership and professional development
- Mentorship opportunities
- Student advocacy

McNAIR SCHOLARS PROGRAM

The McNair Scholars Program, a federally funded TRIO Program, prepares bright, highly motivated undergraduates from traditionally underrepresented backgrounds for graduate studies. Eligible candidates include limited-income students, first-generation students and/or individuals who identify as African American, Latinx and/or American Indian.

McNair scholars engage in activities that hone the skills necessary to succeed in graduate school. Central to the experience is a paid, faculty-mentored summer research internship and opportunities to present at national conferences.

Services

- Academic counseling
- Spring seminar series, introducing scholars to the McNair Program

RESOURCES FOR ACADEMIC SUCCESS

Page 25

- Four additional college credits at no cost to participants
- Paid, faculty-mentored summer research internship
- Financial support to attend conferences and present research
- Graduate Record Examination (GRE) preparation
- Tutoring in writing and math
- Visits to graduate schools

TRIO STUDENT SUPPORT SERVICES (SSS)

Student Support Services offers advising and support for first-generation and/or limited-income students. Students with documented disabilities also may be served. Only 420 students are members of the SSS program, meaning students get individualized attention from an adviser from the time that they enter the program until graduation. Services are free, and students may qualify for SSS scholarships.

UW Oshkosh has two SSS programs: one serves students in all majors and the other focuses on the science, technology, engineering, math (STEM) and healthcare majors. SSS and SSS STEM are funded by grants from the U.S. Department of Education.

Eligibility

Students joining SSS must be citizens or nationals of the U.S. or meet the residency requirements for federal student financial aid and meet one of the following criteria as mandated by the federal government:

EARN CREDIT FOR PREVIOUS EXPERIENCE

CREDIT FOR PRIOR LEARNING

All students bring invaluable life and career experience to the classroom and even have the opportunity to earn credit for their prior knowledge. At UW Oshkosh, students may be awarded college credits for their past work and life experiences three ways:

Portfolio Option

Students may be able to earn credit for learning gained through years of experience at work, in military service, as volunteers or in settings outside the formal classroom.

► **For portfolio information**

Division of Online and Continuing Education

(920) 424-0234
oce@uwosh.edu

- First-generation college student (parents do not have a four-year college degree)
- Family has limited income as defined by federal guidelines SSS Services

Services offered to SSS students:

- Academic advising and coaching
- Career and degree guidance
- Connections to internships and research opportunities
- Connections to other campus resources
- Financial aid and financial literacy information
- First-year learning groups
- Graduate school assistance
- Personal support and mentoring
- Scholarships available for eligible students
- Tutoring referrals

First-Year Student Learning Groups

Learning groups are small groups of first-year students who meet weekly to learn about college success, academic skills and leadership development. Two upper-class SSS/SSS STEM students lead each group and serve as peer mentors. All first-year students in the SSS and SSS STEM programs are assigned to a learning group.

CAREER AND PROFESSIONAL DEVELOPMENT

Welcome, Titans! The staff at Career and Professional Development are excited to help you with all your career-related needs through every step of your college experience. We assist with career exploration, industry-specific advising, developing career readiness skills and helping you find part-time, full-time and internship opportunities. You can create an effective resume by using our online resources, VMock or by meeting with a career adviser. We encourage you to make an appointment with a career adviser early or engage with our services often. Our goal is to help all Titans become equipped, confident and connected.

AS A NEW STUDENT, WHAT SERVICES SHOULD I USE?

GET STARTED TODAY AT UWOSH.EDU/CAREER

INFORMATION TECHNOLOGY SERVICES

Information Technology (IT) provides technical support to students, faculty and staff of UW Oshkosh.

NetID
Your NetID is your gateway to UW Oshkosh services, such as Canvas, Office 365 (including Outlook), Housing Portal, MyUWO Portal and Titan Web, as well as computer login for campus computer labs and Titan Wi-Fi.

Learn to setup your NetID at kb.uwosh.edu/100921.

Check out uwosh.edu/it/service-offering/netid for more information on how and when to use your NetID as well as links how to reset a forgotten password.

Regarding your NetID account:

- Don't share passwords or accounts
- Use it for nearly all UW Oshkosh associated logins

Printing on Campus | uwo.sh/print
Each spring and fall semester, students are allotted \$10 for printing, covered by the Student Technology fee on campus. Students pay approximately \$0.02 per black and white and \$0.16 per color sheet.

UWO uses a system called Pharos to manage print queues, this means:

- Students can print directly from any computer lab, laptop or mobile device while they are on campus, using the appropriate software and/or app.
- Once a file is submitted to the print queue, students can scan their TitanCard or use their smartphone to scan the QR code on the printer to release the print job.
- Need to print while on the go? Jobs stay in the print queue for two hours, so you can send to the queue now, print later.

Most printers on campus are black and white. Color printers are in Polk 101 and the Student Technology Center (Polk 005).

Computer Labs
UW Oshkosh's general access computer labs come equipped with all the software needed to get coursework done. Don't want to travel so far? Ask the front desk of your residence hall for the closest lab near you.

Clow Lab – Clow C014
Halsey Lab – Halsey 101
Polk Reference – Polk 101
Sage Lab – Sage 1208
Swart Lab – Swart 229

We also offer a virtual lab experience.
Learn more at uwo.sh/virtual-labs.

NEED IT ASSISTANCE?

Visit us in the basement of Polk Library at Polk 005, across from the Testing Services or in the Clow Technology Center in Clow C010. You can also contact us at (920) 424-3020, helpdesk@uwosh.edu, or through our service portal at uwo.sh/service-portal.

REGISTRAR’S OFFICE

WHAT DOES THE REGISTRAR’S OFFICE PROVIDE?

Registration: Courses requiring department, instructor or adviser consent can be processed in the Registrar’s Office. To withdraw from all classes, visit uwo.sh/withdraw for additional information and online form.

Official transcripts: Transcripts can be obtained online through Parchment. Fee information and hours are listed at uwosh.edu/registrar/transcripts.

Veteran services provide support for active-duty veterans, guard members, reservists and dependents of veterans. The Veterans Resource Center (VRC) can assist with federal and state education benefits as well as support services both on and off campus.

WHAT’S AVAILABLE ON TITANWEB?

Enrollment appointment information: Registration dates and eligibility to enroll

Academic Advisement Report (AAR): Student academic advisement report showing progress toward degree

Account holds: May prevent enrollment and issuing of transcripts

Class search: Search and filter courses based on specific criteria

Course catalog: Individual course overviews and descriptions

CONNECT WITH US

UW Oshkosh Registrar’s Office
800 Algoma Blvd.

uwosh.edu/registrar | (920) 424-3454

Enrollment verification: Printable certificate verifying current, past and future terms’ enrollment

Grades: Final grades for all completed courses

Graduation application: Apply for graduation

Adviser information: Name and contact information

Transcripts: Unofficial transcripts and ability to order official transcripts

Good student discount verification: Printable certificate verifying eligibility

Voter identification: Verification of enrollment and proof of campus address

Personal and emergency contact information: Names, phone numbers and addresses

Financial account summary: Statements including tuition; books, supplies and lab fees; financial aid and more

GRANT TITANWEB ACCESS FOR FAMILY

If a student wishes to allow another person to view their TitanWeb account for billing and academic purposes, they can grant access to that person. Per federal law (FERPA), the University is not able to speak to anyone other than the student about their student account unless they grant permission to additional people through TitanWeb.

TO DO LIST ITEMS IN TITANWEB

All new students have To Do List items in their TitanWeb Student Center.

The Registration Information verification and Student Financial Agreement have been combined into one to do list item. The Student Financial Agreement comes from the Student Accounts Office and describes a student’s responsibility for their student account and finances. It also provides the option to make a payment plan each semester. For questions regarding the Student Financial Agreement, contact Student Accounts at sa@uwosh.edu or call **(920) 424-1332**. Students also need to verify their Registration Information to ensure the University has the most up-to-date contact information for all enrolled students. For questions regarding registration information, contact the Registrar’s Office at twregistration@uwosh.edu or call **(920) 424-3454**.

NOTE: All students will have a hold placed on their account until the Financial Agreement has been completed.

SUSTAINABILITY

UWO AND SUSTAINABILITY

UWO is committed to sustainability and engages stakeholders from Wisconsin and beyond to build healthy communities, inclusive economies and ecologically sound environments through inquiry, education and action.

UWO is national leader in sustainability. Here's just a few ways sustainability has impacted the UWO community:

- The first Fair Trade University in the country, 2008
- Ranked 3rd Greenest school, 2015
- Winner of the U.S. Department of Education's Green Ribbon Schools award, 2022
- Home to 8 LEED buildings
- Committed to decarbonization and climate neutrality by 2030
- Member of the Arbor Day's Tree Campus Higher Education since 2010
- Home to the first dry biodigester in the Americas, which turns food waste into energy

GET INVOLVED!

- **Learn** about UWO and Winnebago County's recycling rules.
- **Attend** sustainability events around campus.
- **Propose** a Green Fund Project.
- **Earn** a sustainability certificate.
- **Participate** in research with faculty or paid internships.

RESOURCES FOR ACADEMIC SUCCESS

NAVIGATE STUDENT APP

The Navigate Student App is designed to help you successfully complete essential tasks and explore the resources UW Oshkosh has to offer. The information in the app will help familiarize you with campus services and help you stay on track with important due dates.

Use the Navigate Student App to:

- Access your class schedule
- Get reminders about important academic and financial due dates
- Find campus buildings with Google Maps
- Learn about valuable campus resources
- Connect with students in your classes to form study groups

The Navigate Student App features:

To-Dos: Track upcoming tasks to help you stay on track, like registering for classes or remembering important academic and financial deadlines. Use this app to add event reminders to your phone calendar.

Appointments: Schedule an appointment with a professional adviser in the Undergraduate Advising Resource Center (UARC) or Student Support Services (SSS).

Reports: View appointment summaries and progress reports.

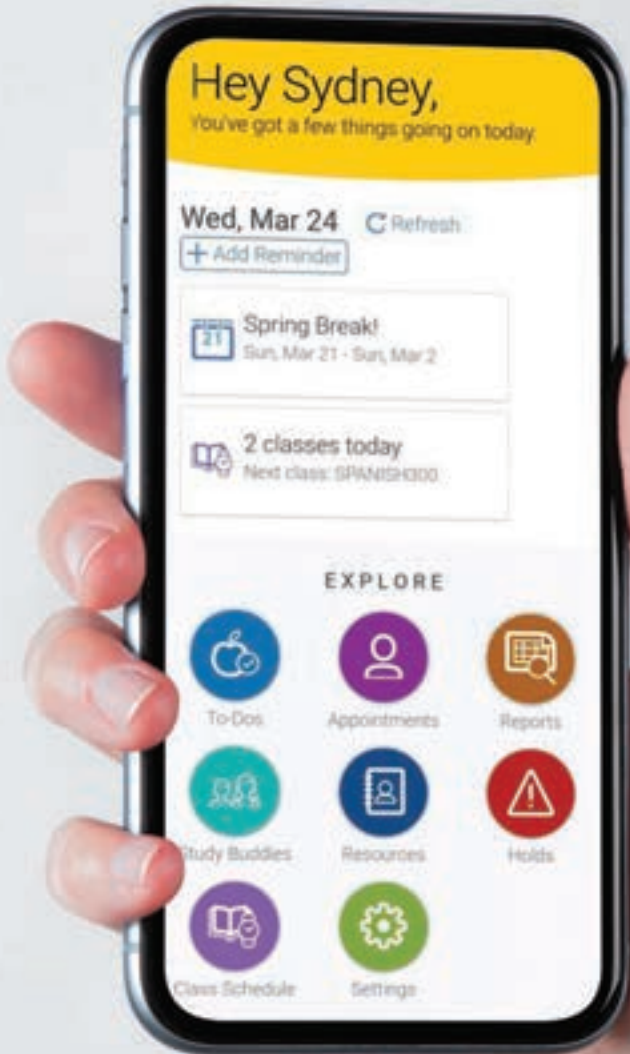

Study Buddies: View contact information for other students in your courses who opt into this feature, providing you with a convenient way to connect and study with classmates.

Resources: Browse for key people and places on campus, including contact information for professors and advisers and location information, descriptions and directions to most campus buildings.

Hold Center: Review any active holds and learn how to resolve them. Holds are updated nightly.

Class Schedule: View a schedule of the courses you are currently registered for.

Settings: Find resources marked as 'favorites,' update intake survey responses and manage notification preferences.

ACCESSIBILITY CENTER

The Accessibility Center is committed to providing services and support for students with disabilities, ensuring equal opportunity to participate in all aspects of the university programs, services and activities on all UW O campuses. The center coordinates reasonable accommodations, ensuring access and promoting independence and self-advocacy.

How do I receive accommodations?

- 1. Visit uwo.sh/accessibility
- 2. Submit an accommodation request form
- 3. Submit documentation from your provider
- 4. Schedule an initial interview with our accessibility coordinator

University Community

- Academic • Dining • Housing • Parking

Examples of academic accommodations:

- Electronic textbooks and course materials
- Exam accommodations
- Proctors, scribes and readers for exams
- ASL interpreters
- Note-taking assistance
- Assistive technology
- Classroom accommodations

Please note: Students are not limited to the accommodation examples listed above.

Accessible computer labs

- The Access Lab is equipped with adaptive software, large-screen computers and document magnifiers.
- Many computer labs across campus are equipped with page magnifiers, high-resolution scanners and CCTV magnifiers.
- All labs have a large-screen computer, ZoomText software and access to Kurzweil software.

The Accessibility Center does not provide personal care or attendants, legal counsel, transportation or personal computers.

PROJECT SUCCESS

Project Success is a remedial program for students attending UW Oshkosh who have learning disabilities in the areas of reading, writing, mathematics or documented ADHD. The program serves approximately 300 students on campus.

Project Success focuses on teaching reading, spelling, written expression and organizational/executive function skills that foster success at the college level. The goal is to assist students in developing the necessary language skills to read, write and spell effectively and efficiently to become academically independent. Project Success is one of the few programs nationwide that serves as a remedial program rather than a tutorial assistance program.

What support services are available?

- Academic accommodations
- Remedial coursework

- One-on-one organizational tutoring
- Writing and mathematics tutoring support
- Educational evaluations

POLK LIBRARY

College-level work requires using the best sources in the best ways. In addition to Polk’s selection of books, media titles and primary source collections on the shelves, students can request materials from across the UW System, including UW-Madison, which boasts one of the 10 largest academic library collections in the country. On top of that, Polk has an all-electronic journal collection of more than 118,000 titles.

These advanced resources, written by specialists, are an essential part of collegiate research. Polk also offers a growing streaming video collection for access to important documentaries and licensed educational video content. Polk Library is a great place to work on assignments and study. Polk is a home office, study hall and roommate-free zone with Wi-Fi and a variety of study environments. Find quiet study areas for solo work, bustling workspaces for group projects, or even private, tech-equipped study rooms for individual or group study. Students can use the library website to find available workstations and spaces before getting to the library.

Polk Library’s professional academic librarians and staff members are available to help students navigate the world of college-level research. In addition to visiting classes for instructional sessions, staff members are available for students in person, via webchat, email, phone or one-on-one consultations.

TESTING SERVICES

Staff members provide high-quality service to students taking classroom tests, makeup tests and correspondence exams. Placement testing is available online or in person under special circumstances as needed. Please see our website at uwosh.edu/testing.

Additionally, we offer a variety of standardized tests including: TOEFL, CLEP, TEAS, Praxis and GRE (general and subject exams), as well as business and professional testing.

CENTER FOR ACADEMIC RESOURCES

The Center for Academic Resources (CAR) provides free one-on-one and small group tutoring as well as Supplemental Instruction services for undergraduate students at UW Oshkosh.

Tutoring benefits Include:

- Individualized learning experiences
- Increased knowledge and understanding of material
- Improved study strategies

Content Tutoring

Work with a trained, instructor-recommended peer tutor who has taken your course before and done well in it. Support is available for many 100- and 200-level courses on campus.

Supplemental Instruction

Supplemental Instruction (SI) sessions are held for select high-enrollment and historically difficult lecture courses. Leaders conduct group review sessions each week that focus on what students need to know to do well in the course. To facilitate these sessions, leaders re-attend lectures and work closely with course instructors. If you are enrolled in a course paired with SI, you will receive information via email on how to attend. This information can also be found on Canvas.

Drop-In Math Tutoring Lab

Located in Swart Hall 017, the math lab offers drop-in peer tutoring for students enrolled in Math 104 through Math 273. See the website for specific schedules tutoring is offered for each course.

MATH LAB

The Developmental Mathematics Tutor Lab provides tutoring for students enrolled in Math 100, Math 101 and Math 103. In-person tutoring is available in Swart Hall 301.

READING AND STUDY SKILLS CENTER

The Reading and Study Skills Center assists students in developing the reading and study strategies that are

essential for academic success and life-long learning. Students can enroll in one- and two-credit academic skills courses or schedule individual coaching sessions for topics, such as test preparation, academic reading, note taking, time management and test taking. Appointments can be scheduled online, in person, via email or phone. Visit our website for drop-in hours and additional information.

WRITING CENTER

The Writing Center helps students become better writers through free one-to-one sessions with writing coaches. Writing coaches are students who have been trained to work with individual students on any assignment or project in any major or subject area.

Meetings take place in person or virtually and last up to 50 minutes. Asynchronous (emailed) feedback is also available. Assistance is scheduled online at uwosh.edu/writingcenter. Students can schedule up to three appointments per week. The Writing Center also offers evening and weekend appointments. See website for current hours and additional information.

STUDY ABROAD

OFFICE OF INTERNATIONAL EDUCATION (OIE)
Add adventure to your degree! The OIE offers short-term, semester, yearlong, internship and volunteer programs in a variety of locations. Students earn academic credit while exploring the globe and immersing themselves in new cultures.

Study Abroad
Studying abroad allows students to gain independence, develop a global perspective, become fluent in another language and bolster resumes with unique skills and experiences. Students from all majors at all three UWO campuses are able to study abroad. We offer general education and major-specific programs. Faculty-led group programs during the interim allow students to travel

NOTES

f UWO.OIE

with a UWO professor and engage in high-impact learning experiences while at the program site. Individual travel allows students to further immerse themselves in another culture by enrolling in courses at one of our international partner universities.

BECOME A GLOBAL SCHOLAR
The Global Scholar Certificate is a 12-credit self-directed course of study open to all UWO students who wish to distinguish themselves as emerging global citizens prepared to navigate an increasingly complex and interdependent world. A study abroad experience satisfies the hands-on learning experience required to earn the Global Scholar Certificate! Get started at uwosh.edu/globalscholar.

ADVENTURE

“

Choosing to study abroad was the best thing I have ever done for myself. Before this experience, I had never left the country and my knowledge on traveling was very limited. I have now been to seven different European countries. I think the best advice I can give is to not let anything hold you back.
-Florence, Italy student, Jan. 2023

If you are given the opportunity to study abroad, do it. The experiences you have in a country outside of your own provides you with different perspectives that you can carry with you for the rest of your life.
-Nursing in Ecuador student, Jan. 2023

DEAN OF STUDENTS

The Dean of Students Office supports students at UW Oshkosh through advocacy, care, guidance and support.

- Our purpose is to:**
- Fill the gaps in serving students
 - Help students navigate UW Oshkosh
 - Influence the student experience in a positive way
 - Guide the institution on policies, laws and regulations affecting students

- In fulfilling our purpose, we:**
- Advocate for students
 - Work to ensure a safe and inclusive community for our students
 - Challenge and support students, faculty and staff
 - Cultivate learning and development opportunities
 - Create a space for students to be heard, valued and validated
 - Work to solve problems
 - Protect the integrity of the University community

Student Care Team
The Student Care Team (SCT) is a network focused on prevention and early intervention for students experiencing distress. SCT meets on a weekly basis to coordinate care for students and provide the assistance necessary to ensure they are personally and academically successful.

Interim Measures and Support
The Dean of Students Office manages student accommodations relating to instances involving sexual assault, domestic violence, dating violence and stalking. Additionally, we provide interim measures for conflict resolution or harassment. Interim measures could include: change in class schedules, residence hall moves, no contact directives etc.

CONNECT WITH US

f UW Oshkosh Dean of Students

Bias Incident Report
UW Oshkosh is committed to fostering an inclusive environment where every member of our community is respected and valued. Whenever an instance of bias occurs, we encourage filing an online report so the situation can be addressed.

Late Withdrawal/Late Drop from Coursework
If a severe circumstance impedes a student's ability to be academically successful, the Dean of Students Office processes late withdrawal/late drop coursework requests.

Out of Class Letters
When a student misses four or more class days due to a mental or medical health or family circumstance, the Dean of Students Office sends faculty an email notifying them of the absence.

Accessibility Center
Refer to page 23 to learn more about accessibility resources on campus.

Student Conduct
The Dean of Students Office is responsible for the student conduct process at the University. Our process is grounded in education and development and practices fundamental fairness to all involved. Our philosophy is guided by the notion that mistakes made can be invaluable learning opportunities for students. Furthermore, it is our goal to cultivate a safe community for all students, staff, faculty and guests at UW Oshkosh.

FINANCIAL SERVICES

Billing of tuition, fees and charges for housing, dining and other campus services is done electronically through TitanWeb with email notifications sent to a student's UW Oshkosh email account. Paper bills are not printed and mailed. There are three billings for Fall and Spring semesters, two for Summer semester, and one each for J Term and May Term semesters. Initial billing is done three to four weeks prior to the start of the semester, except for the J–Term and May–Term.

Students are required to sign a financial agreement to pay tuition and fees prior to registration for each Fall, Spring and Summer term. For each Fall and Spring term, 10 percent of the total bill is due the first date, and two 45-percent payments are due the following months. Summer term requires 50 percent payment on each of the two due dates. J Term and May Term payments are due in full by the due date. The amount due for a student is shown on TitanWeb under the account balance summary section. There is a 1-percent finance charge assessed the first business day of the month for any unpaid balance. There is never any prepayment penalty — students may pay the balance in full at the start of the term to avoid any finance charges.

It is important to check TitanWeb regularly for new charges. Students often charge textbooks to their account or have Student Health Center charges on their account throughout the semester. Failure to monitor your TitanWeb account does not alter the date your bill is due.

Payment can be made at the Cashier's Office in Dempsey Hall, second floor, main hall, with cash or check. Envelopes are available near the cashier's window along with a payment drop box that can be used for payment drop offs at any time. Payments also can be made online with an e-check or credit/debit card. The e-check requires entering a bank routing number and account number with a \$0.50 service charge. The credit/debit option has a 2.85% service fee. In-person credit card payments cannot be accepted at the Cashier's Window.

Late payments will result in a late payment fee and a hold on a student's account. The hold prevents a student from adding classes, requesting transcripts and enrolling in future terms.

Quick Checklist for Financial Success

Plan for Success

- ☐ Plan for how you will pay
 - o Apply for financial aid
 - o Apply for scholarships
 - o Apply for private loans if needed
 - o Apply for a job on campus at uwosh.joinhandshake.com

Get Started

- ☐ Log in to TitanWeb
 - o Check your to-do list and complete your financial agreement
 - o Sign up for direct deposit to avoid waiting for paper refund checks
 - o Grant access to others who may need to assist you with your account
 - o Verify and update your contact information if needed

Pay Your Bill

- ☐ Check your student email for billing notifications
- ☐ Log in to TitanWeb
 - o Review your statement of account
 - o Review your charges
 - o Review your payments, aid and scholarships
 - o Make a payment if payment is due

Ongoing

- ☐ Log in to TitanWeb at least monthly
 - o Check your to-do list
 - o Check your student email
 - o Check your account after enrollment changes

If you have a 529 College Savings Plan you can print or export the statement of account and most plans will accept that document for producing a check. Checks should have the student ID in the memo and be mailed to the UWO Cashier, 800 Algoma Blvd., Oshkosh, WI 54901.

Below is an example bill for a typical first-year student living on campus. Official tuition rates are approved in July each year by the University of Wisconsin Board of Regents, posted on the UW Oshkosh Student Financial Services website and billing occurs shortly after. Once you receive a billing notice via email, we suggest students view their statement of account in TitanWeb.

Please be aware of DROP DATES!

Academic drop dates are different than financial drop dates.

Academic drop dates
uwo.sh/add-drop

Financial drop dates
uwo.sh/payment-deadlines

FINANCIAL AID

CONNECT WITH US

Financial Aid Office
Dempsey Hall, Room 104 | 800 Algoma Blvd.
uwosh.edu/financialaid | (920) 424-3377
fao@uwosh.edu

f UWO Financial Aid @UWOFinAid

Financial aid funds are automatically disbursed and deducted from a student's tuition costs a few days before the start of semester. A student may check their TitanWeb account to see if/when money is applied to their student account. In certain cases, the amount of aid a student receives is greater than the cost of tuition. When this occurs, a student will get their remaining financial aid via direct deposit or mailed to their home address via paper check. Financial aid payments may be delayed if there are outstanding items on a student's To-Do list found on TitanWeb. Ex: federal student loans require additional steps for first-time borrowers.

To remain eligible for financial aid, students must meet Satisfactory Academic Progress (SAP) by maintaining a cumulative 2.0 GPA, completing 67 percent of attempted credits, and completing programs within the maximum time frame. An email is sent to every student receiving financial aid at the start of each enrollment period to monitor their SAP status. It is the student's responsibility to check their SAP status on Titan Web.

All correspondence from the Financial Aid Office is sent via student's school email. In TitanWeb students can grant access to others to view billing and/or financial aid. Please refer to the FERPA section on page 49 for more information about granting access to others.

Visit the Student Financial Services webpage for more information on tuition and fees, payment deadlines, the partial payment plan, direct deposit, 1098T form, drop dates and hours of operation.

Financial Literacy

The GradReady program is a free financial literacy tool provided by UWO that promotes financial wellness and encourages students to take control of their finances early in their careers. It includes budgeting, managing student loan debt and helpful financial information and is available through the Financial Aid website.

The GradReady program has three sections:

- Path 1—Paying for College: It's all about making a plan
- Path 2—Money Management: Budgeting your money
- Path 3—Real World Finance: Student loan repayment

Wisconsin Tuition Promise

Launching in Fall 2023, the Wisconsin Tuition Promise guarantees free tuition for first-year students and first-time transfer students. Students will automatically be considered for the Wisconsin Tuition Promise by submitting their Free Application for Federal Student Aid (FAFSA). To be eligible for this program a student must:

1

Be a Wisconsin resident

2

Have a household adjusted gross income of \$62,000 or less annually

3

Be enrolled full-time (12+ credits) during Fall and Spring terms

4

Have been employed at some point in the prior year

More information can be found at uwo.sh/tuition-promise.

STUDENT EMPLOYMENT

Many students seek part-time employment to help cover expenses during college. Use **Handshake** to search for on-campus employment opportunities. Students can log in to Handshake online at uwosh.joinhandshake.com.

f UWoshkoshAthletics **t** @uwoshkoshtitans
@ UWoshkoshTitans

A member of the Wisconsin Intercollegiate Athletic Conference (WIAC), UW Oshkosh competes at the Division III level of the National Collegiate Athletic Association (NCAA), where student-athletes compete without the benefit of athletic aid or scholarships.

During the 2022-23 academic year, 548 students represented the Titans in athletic competition. Of that total, many students participated in two or more of the 19 sports offered. UW Oshkosh student-athletes are students first and athletes second. Each year, several UW Oshkosh student-athletes earn conference, regional and national academic honors for their outstanding performance in both the classroom and competitive arena. In 2021-22, 309 student-athletes—nearly 57 percent—achieved a 3.0 grade point average or higher.

UW Oshkosh is the owner of 48 national team championships, including 33 NCAA Division III titles. The most recent titles came when women's gymnastics won the 2022 National Collegiate Gymnastics Association championship and men's basketball won the 2019 Division III championship. The Titans' list of Division III championships is highlighted by nine in both women's indoor and women's outdoor track and field and four in both men's and women's cross country. In 2021-22, the Titans women's basketball program reached the Elite Eight of the NCAA Division III tournament with the men's basketball program exiting in the second round.

In the WIAC, UW Oshkosh has won 203 championships. The overall total is led by the 29 in baseball, 16 in both women's cross country and women's gymnastics, 14 in both men's basketball and women's basketball and 13 in both women's indoor track and field and women's volleyball.

UW Oshkosh students with a valid TitanCard receive free admission to all regular-season home sporting events. Titan Dollars are accepted at the concession stands. A shuttle bus transports UW Oshkosh students to all regular-season home football games at J. J. Keller Field at Titan Stadium.

GETTING INVOLVED

LEADERSHIP AND INVOLVEMENT & REEVE MEMORIAL UNION

Student leadership and involvement opportunities allow students to connect, learn and grow as contributing citizens. From volunteer opportunities and late-night programs to fraternity and sorority life and diversity and inclusion programs, there is something here for everyone. Students can also become part of UW Oshkosh campus traditions, including:

Titan Welcome: A rich tradition at UW Oshkosh that is about building relationships with fellow classmates, connecting with faculty, staff and returning students, acclimating to campus life, celebrating Titan spirit and having fun.

Titan Nights: Late-night events that take place the first Friday of every month during fall and spring semesters.

Service Saturday: An annual volunteer program where students volunteer and make a difference in the Oshkosh community.

Homecoming and Family Day: One of the greatest traditions on campus — Homecoming is a full week of fun student competitions, ending with Family Day, which includes Titan Tailgate and a UWO football game on Saturday.

Alternative Break: A trip in which a group of students engage in volunteer services over a University break period. Alternative Break trips challenge students to think critically and react to problems faced by members of the communities in which they are involved.

Winter Carnival: An annual celebration of winter that has been a tradition of UW Oshkosh for more than 50 years. Events include ice sculpture carving, broomball, and rope pull.

Bye Gosh Fest: This festival celebrates the end of the spring semester; it features live music, carnival games, food, henna tattoos, caricature artists and more.

f Reeve Union **t** @reeveunion
@ @reeveunion **s** @reeveunion

UW Oshkosh is proud to have more than 150 clubs and organizations on campus. If students are looking to get involved, all they need to know is what interests them. Organizations are categorized by service and volunteering, entertainment, fraternity and sorority life, arts and culture, sports and recreation, academic, government, environmental, religious, special interest and social.

For a complete list of student organizations and upcoming events, visit uwosh.edu/reeve/involvement.

Reeve Memorial Union

Reeve Union strives to provide the highest levels of service to the campus and community with programs, services and resources which bring people together to learn and share impactful, positive experiences. Our hope is to be the heartbeat of campus—fostering an inclusive and supportive community by enriching, inspiring and transforming lives.

From programming and special events to hangout, study and dining spaces, Reeve Union is the perfect place to visit and relax.

Reeve Union is home to:

- Copy This!!
- Corner Convenience Store
- Gail F. Steinhilber Art Gallery
- Reeve Marketplace Food Court
- Student Involvement Desk
- Titan Central and TitanCard office
- Titan Underground (TUG)
- University Books & More
- University Dining Office and meal plans
- UW Credit Union
- The Cabinet Student Food Pantry

STUDENT RECREATION

FACILITIES

- The Student Recreation and Wellness Center (SRWC) is the primary recreation space on campus. Play your favorite sport, get your workout in, and discover other new and exciting ways to recreate.
- The Rec Plex is our dome and field complex, allowing for field sports to be played all year round.
- Don't forget to check out other Student Recreation facility offerings, including our tennis courts, kayak launch, pool, and golf simulator!

PROGRAMS

Club Sports

16 Club Sports (organized and run by students) compete regionally and nationally. Don't see the club you want? New clubs are always welcome!

Group Exercise

We offer a variety of free exercise classes throughout the week. All skill levels and interests are welcome. Classes offer a wide variety of strength, cardio and flexibility exercise.

Intramural Sports

Over 20 different sports are offered each year, with a variety of skill levels, league types, and schedules to meet all of your sport interests. We also offer several sport clinics and one-day tournaments.

Outdoor Adventures

Outdoor Adventures offers several outdoor adventure trips each year. In addition, the Outdoor Adventure Center (OAC) offers an extensive supply of equipment rentals to students FREE of charge. Other programs include:

- Climbing wall with top-rope and bouldering options. Climbing is always FREE.
- Bike repair shop with short-term and long-term bike rentals available.

Personal Training

Feel more comfortable at the SRWC with a variety of training services designed for every fitness or training level. We offer a variety of services such as fitness consultations, InBody tests, one-on-one coaching, equipment orientations, and functional movement screens.

See our website for more detailed information on our program offerings.

Veterans Resource Centers (VRCs) are located on the Oshkosh, Fond du Lac and Fox Cities campuses. VRCs are central locations to explore available veteran education benefits, campus services and community resources while connecting with veterans, friends and VRC staff.

The VRC provides support and guidance to current and prospective student veterans, guard members, reservists and their spouses and dependents. The purpose of the VRC is to empower the military-affiliated community at UW Oshkosh with the tools necessary to achieve their academic goals.

UW Oshkosh's VRCs offer the following services:

- Veteran education benefits information and certification
- Student services information
- Community veteran resource connections
- Veteran priority registration information and signup
- Information about campus events and veteran programming
- Individual study pods
- Computer lab with printer, scanner, web cams, headsets and Common Access Card (CAC) readers
- Free coffee and tea for veterans
- Mini fridge and microwave
- Wi-Fi and charging station
- A welcoming space to connect with other veterans

DID YOU KNOW?

Oftentimes, veterans can earn college credit based on their past military experience. Head to **page 16** to read up on receiving Credit for Prior Learning (CPL).

LGBTQ+ RESOURCE CENTER

BUILDING A SAFE, INCLUSIVE AND EMPOWERED COMMUNITY

Part of the Office of Academic Support for Inclusive Excellence, the mission of the LGBTQ+ Resource Center is to create a safe, inclusive and affirming campus climate that fosters academic success and personal growth for students, faculty and staff of all genders and sexualities through education, advocacy and support.

We endeavor to help people of all genders, sexualities, and intersectional identities work, play and live together in ways based on mutual respect by:

- Providing resources and education for all of campus
- Creating a welcoming space for people to build community
- Promoting an environment that values equity and diversity
- Engaging students, employees and the community to work toward solutions for intersectional LGBTQIA+ issues

The LGBTQ+ Center provides a range of intersectional programming for professional, personal and academic development. It is also a physical space that is great for studying, hosting meetings, hanging out and enjoying a complimentary cup of coffee, tea or hot chocolate.

WOMEN'S CENTER

INTERSECTIONAL INNOVATION FOR GENDER EQUITY

Part of the Office of Academic Support of Inclusive Excellence, the UW Oshkosh Women's Center hosts programs and events to educate the campus community, provides resources for students, employees and community members, and actively seeks collaborations with campus and the surrounding community to promote gender equity.

We endeavor to help people of all genders work, play and live together in ways based on mutual respect by:

- Providing resources and education for all of campus
- Creating a welcoming space for people to build community
- Promoting an environment that values equity and diversity
- Engaging students, employees and the community to work toward solutions for intersectional gender issues

The Women's Center provides a range of intersectional programming for professional, personal and academic development. It is also a physical space that is great for studying, hosting meetings, hanging out and enjoying a complimentary cup of coffee, tea or hot chocolate. The Women's Center is fully accessible and has two all-gender bathrooms.

Visit the Women's Center website and social media and watch for email announcements for the most up-to-date information about programs and events. Also keep the Women's Center in mind when looking for internships and

COUNSELING CENTER

The Counseling Center at UW Oshkosh provides a place of inspiration and guidance for the wellness of all students. Our approach includes a balance of treating health challenges and fostering the use of self-care, positive psychology practices, and building upon the unique strengths of each student. Our goal is for students to flourish, which includes feeling good and functioning well.

SERVICES

The Counseling Center provides a variety of free and confidential (some exceptions apply) services to students both in-person and virtually.

Individual counseling: Meet one-on-one with a counselor to work toward personal mental health and wellness goals.

Group therapy: Groups provide an opportunity for students to gain support and insight through counselor guided interactions. Groups may include interpersonal process and skill building (how to manage distress and emotions, reduce anxiety, etc.), self-compassion, grief, trauma, LGBTQ+ support, restorative yoga and more.

Wellness workshops: Students choose an experiential activity designed to build skills that foster long-term happiness (e.g. self-compassion, mindfulness, optimism, kindness, connection, gratitude, cultivating strengths and more).

CONNECT WITH US

Student Success Center, Suite 240
750 Elmwood Ave.
uwosh.edu/counseling | (920) 424-2061

 UWO Counseling Center  @uwocounselingcenter

Crisis Management: Students in crisis will be seen for a same day appointment at the Counseling Center. UW Mental Health Support 24/7 is a crisis resource that can be accessed by calling the Counseling Center (option '2'), text, or chat (888) 531-2142.

Biofeedback: A mind-body technique to learn how to control some of your body's functions, such as your heart rate, breathing patterns, and muscle responses. These skills can help to lower anxiety and improve overall health.

The Just Breathe Room: Enjoy a place of solitude for gentle exploration of mindfulness activities that help you to feel well.

The Rejuvenation Room: Relax in our heated massage chair while listening to music along with aromatherapy. This room also is available for interfaith practices and lactating mothers.

Drop In and Breathe: Engage in mindfulness and relaxation skill-building activities, offered in 30-minute sessions.

STUDENT HEALTH CENTER

Student Health Portal | shcportal.uwosh.edu

To schedule an appointment, call the Student Health Center at (920) 424-2424 or visit the Student Health Portal.

The Student Health Center (SHC) at UW Oshkosh is a nationally accredited medical clinic that provides a full range of healthcare services to all enrolled students. As students become more independent and learn to manage their own health and health care, we strive to help them develop and maintain healthy habits that will affect well-being, learning, personal and career fulfillment throughout their lives.

Our staff consists of experienced, board-certified, credentialed professionals comprising of nurse practitioners, nurses, medical assistants, and administrative professionals.

Most office visits are free. There are minimal charges for physicals, lab tests, procedures, injections and medications.

95%

of UWO students recommend the Student Health Center and their SHC provider to a friend. (Patient Satisfaction Survey, 2021)

Services can be paid for using credit card, the TitanCard or billed to a student's account.

Services

- Physical exams
- Illness & injury diagnosis and treatment
- Immunizations
- Laboratory testing
- Sexual health services

- Transgender health
- Triage nurse
- Travel health
- Behavioral health diagnosis and treatment

The Student Health Portal provides convenient, accessible healthcare, which allows patients to schedule appointments, send and receive secure messages, view lab results, access certain medical records, and complete health forms online.

TOP FIVE BENEFITS

Healthcare at a low cost
Self-care education for treating illness
Don't have to miss classes due to health
Peace of mind regarding health
No need to travel to receive care

HEALTH PROMOTION AND WELLNESS

The goal of Health Promotion and Wellness at UW Oshkosh is to create a culture of health and well-being that fosters personal and academic success. Guided by inclusion, respect and equity, Health Promotion and Wellness efforts provide holistic education, support and resources for students to create and sustain long-term, healthy behaviors.

Health promotion programs and events cover a variety of topics, including:

- Alcohol and drug abuse
 - Body image and eating disorders
 - Bystander intervention
 - Nutrition and meal planning
- Sexual and interpersonal violence prevention
 - Sexual health and relationships
 - Sleep hygiene
 - Stress management and mental health

CONNECT WITH US

For more information on programs and services, visit uwosh.edu/wellness

Will you be living in a residence hall?
Health Advocates (HAs) are residence hall student employees who are trained on various health issues including colds and flu, first aid, substance use/misuse, sexual health, stress management, etc. HAs serve as a resource and referral agent in addressing your health and wellness needs. They have supplies for minor health concerns such as bandages, ice packs, common over-the-counter medicines, thermometers and contraceptives. In addition to serving the health needs of individual students, HAs plan and implement at least one wellness program every semester in their residence hall, create monthly health bulletin boards and maintain active communication with the Hall Staff to address health and wellness issues specific to their residence hall.

OFF-CAMPUS SEXUAL ASSAULT HOTLINE ▶
24-HOUR EMERGENCY HOTLINE (920) 722-8150

SEXUAL AND INTERPERSONAL VIOLENCE PREVENTION

UW Oshkosh is committed to providing the safest campus possible for our students, faculty and staff.

The Sexual and Interpersonal Violence Prevention program educates the university community on trauma-informed practices and risk reduction techniques, while responding to those impacted by sexual and interpersonal violence. Through programs and policies, we work year-round to support victims/survivors, prevent sexual and interpersonal violence, and communicate that violence is unacceptable.

Victim/Survivor Advocacy Services

Students have the right to report an incident of sexual or interpersonal violence to the University, law enforcement or both. They also have the right to not make a report. Victims/survivors are able to meet with confidential and/or non-confidential campus resources to explore their options, understand their rights, connect with resources and build a network of support. For more information on reporting options, see Title IX (page 52-53).

Support and services are **FREE** to all students at any campus of the University of Wisconsin Oshkosh:

- Find free and confidential support in person, virtually or by phone
- Connect with counselors specially trained to address trauma-related to sexual violence, relationship violence or stalking
- Access appropriate medical care off campus, including sexual assault nurse examinations, or on campus, including STI and pregnancy prevention
- Secure appropriate safety measures, such as campus no contact orders, restraining orders and/or personal safety planning
- Find information and referrals to the support resources, systems and processes available on campus and in the community
- Work with the Dean of Students office and Title IX Coordinator to implement supportive measures, including addressing academic or housing relocation needs
- Receive personalized support and accompaniment to medical care, legal services, Title IX and conduct proceedings and other appointments

- Identify current coping mechanisms that may be effective and explore new coping skills that may help manage trauma responses
- Receive support to process feelings regarding a friend or family member's disclosure their response to a family or friend's disclosure, understanding the victim's/survivor's options and supporting the victim's/survivor's decision

Vector LMS Sexual Assault Prevention Training

Every student will be assigned an online course from Vector LMS, titled Sexual Assault Prevention. This training is required for all UWO students, regardless of campus, undergraduate or graduate status, in-person or online course delivery, or full- or part-time enrollment status.

Students should expect to receive an email from Vector (@safecolleges) in their UW Oshkosh email account with information regarding this mandatory sexual assault prevention course. Students will continue to receive email reminders about the course until they complete the training.

Completion of this course is mandatory and must be fulfilled within 30 days after the first day of class. Failure to complete the course will result in an academic hold placed on a student's account—preventing them from registering for upcoming semester courses.

Sexual Assault Awareness and Prevention Programming

Throughout the year, UW Oshkosh holds events aimed at raising awareness around all forms of sexual violence and addressing it through primary and secondary prevention. Popular events include Take Back the Night, Sexual Assault Awareness Month, and Red Zone programming.

For more information on programs and services, visit uwosh.edu/wellness or contact advocate@uwosh.edu.

SAFETY

UW OSHKOSH POLICE DEPARTMENT

The UWO Police Department operates 24/7/365 and has certified law enforcement professionals who are well-trained. We use data to create proactive policing strategies and our primary goal is to keep students, employees, and our campus guests safe while they are here. We partner with our community members to solve problems so you will see our personnel at events, educating students, and teaching in classes to ensure that we have a safe campus.

UWO Mobile App

The UWO mobile app is available for iPhone and Android phones. Instructions on how to download the app can be found on the UW Oshkosh Police Department website. The app is packed with safety resources and is a conduit to share information about emergency situations with our community members.

UWO Go

UWO Go is a non-emergency service that provides an on-demand safe ride for students and employees on and near the UW Oshkosh campus during the evening hours. UWO Go runs seven days a week when classes are in session at no cost for students currently enrolled at UW Oshkosh. This system operates like Uber or Lyft. Learn more at uwosh.edu/police/uwogo.

Safewalks

Safewalks are available to students, employees and campus guests who wish to be escorted at night to and from areas close to campus. Use the UWO Mobile "Chat with a Dispatcher" feature or call the police department at (920) 424-1212 to request a walk. The Safewalk boundary is roughly five blocks from the edge of campus in any direction.

Medical Safety Policy

The safety of our campus community members is our top priority. If a community member calls for assistance due to a level of their impairment or the impairment of a different person they're with, police officers will respond to ensure they get the resources necessary to keep them safe; not to issue tickets. This policy is not intended to provide relief from legal consequences or administrative discipline in relation to serious crimes, including—but not limited to—all forms of assault, theft, property damage and distribution of illicit substances.

Emergency 911
Non-Emergency - (920) 424-1212

UWOPD uwopolice @UWOPD

Community Service Officer Program

Community Service Officers (CSOs) are student employees who provide additional safety and security on campus. They patrol the campus in pairs, work security stations within the residence halls during nighttime hours, offer the Safewalk and UWO Go programs and provide additional resources for special events.

Titan Alerts

Titan Alert, a campus-wide alerting system, is used to communicate important campus information directly to mobile phones, computer desktops, email and social media. Students, faculty and staff can sign up to receive these alerts by visiting uwosh.edu/emergency/titanalert.

Reporting Incidents

We have several different ways to connect with the police department to report incidents and information. The UWO mobile app has several reporting options. Our website also is available to report non-emergency incidents.

Connect With Us Online ▶ uwosh.edu/police

On our website, you can find detailed information about our core values, guiding principles, fair and impartial policing and how we train and manage our personnel. The website also features a "How Did We Do?" form that offers the opportunity to share feedback about your experience with our staff and an open records request form to ask for copies of a police report.

UWOPD on the Mic Podcast

UWOPD hosts a podcast dedicated to building and nurturing relationships between its personnel and community members. From meeting the officers and dispatchers to learning about local resources, UWOPD seeks to educate the community and create authentic discussions. Find it on your favorite podcast app.

COMMUTER STUDENTS

CONNECT WITH US

New Student and Family Programs
148 Dempsey Hall
(920) 424-3269
orientation@uwosh.edu

College life goes far beyond the classroom for UW Oshkosh commuter students. For many commuters, it takes extra effort to get involved in campus life. Students can visit their professors during office hours, volunteer to be the leader on a class project or join a student organization. Whether a student plays on an athletic team, attends plays and concerts or takes advantage of service-learning and career-building activities, it's easy to get involved. Many of the activities on campus are free for students.

Involvement

- Hang out with other students in Reeve Memorial Union
- Join a student organization
- Use campus resources
- Ask for help from faculty, staff, counselors and advisers
- Find a job on campus through Handshake
- Visit the Student Recreation and Wellness Center
- Purchase a meal plan designed specifically for commuters
- Attend a Reeve Union Board (RUB) event: movies, live music, hypnotists and more

Commuter Lounge

First floor, Reeve Memorial Union, Student Involvement

- Comfortable furniture
- Microwave, fridge and computer
- Single-day and semester locker rentals
- Nearby television and study lounges

Parking

You must purchase a permit to park on campus. Commuter students should arrive 20-30 minutes early to ensure they can find a space and get to class on time.

- Parking permit information is located on page 47.
- Campus map with parking lot information is located on page 56.

Communication

- Inform your professors that you commute—especially if you live outside of Oshkosh—so in case of bad weather they know you might be late or absent. Email your instructors if you are not able to attend class.
- During potentially bad weather, visit uwosh.edu for weather-related closings or postponements. Before you leave home and head to campus, check your student email or Canvas to see if your professors have canceled class.

WELCOME HOME

RESIDENCE LIFE

CONNECT WITH US

Residence Life
263 South Gruenhagen
208 Osceola St.
(920) 424-3212
uwosh.edu/housing
housing@uwosh.edu

On Campus Housing

Residence Life strives to make the UW Oshkosh residence halls a clean, safe and inclusive environment for students. National trends continue to show students who live in residence halls are more likely to be successful academically, complete their education and develop greater interpersonal skills.

First and second year students are required to live in university residence halls.

UWO will exempt students from the housing requirement who are veterans, married, parents, at least 21 years of age, or eligible to commute. Additionally, transfer students who have successfully earned 48 credits or lived in a university residence hall for four semesters will be exempt from the housing requirement.

Students are eligible to commute if they commute from their parent or legal guardian's permanent home within 45 miles of campus.

Room Assignments

Until June 15 at 4:30 pm, students can self-select their residence hall and room space immediately at the time of completing their housing application. Students will be prompted to select their hall and room. Upon the completion of the housing application, the student will know what hall, what room, and what meal plan they have for the upcoming semester.

For students who don’t select a space or students who complete the housing application after June 15, the Department of Residence Life will manually assign the student a place based on the feedback solicited from the Housing Application.

Information about our sign-up process—including important dates—can be found at uwosh.edu/housing.

Roommates

New students should expect to share a room with a roommate.

- Until June 15 at 4:30 pm, here are ways to identify and select a roommate:
- Students who know who they want to room with will work together to each select one of two spaces in the same room.
 - If a student does not know who they want to room with, they can view who selected one of the two spaces in a room and see the answers that student gave to the profile questions in the application. If the student feels comfortable with the responses, they select the other half of the room.
 - Students also have the option to select a vacant room and wait for another student to select the other space of the room.

After June 15 the Department of Residence Life will manually assign students. This includes the hall, room, and roommate. Please note that the Department of Residence Life matches students with other students based on their compatibility.

Residence Life staff support and encourage the development of civil, respectful roommate relationships in a variety of ways. Roommates will be asked to create a roommate agreement. Hall staff, including community advisers and residence hall directors, assist residents with the development of their roommate agreements and help students if roommate concerns arise.

Rental Lofts

Students who elect to live in Donner, North Scott, and South Scott can rent a loft through College Products. The College Products website outlines costs and deadlines associated with loft rentals: collegeproducts.com/uwosh/store/uwosh. College Products will reach out to the student to confirm the order and outline loft delivery or pick up information.

Students who live in Evans, Fletcher, Horizon, Stewart and Taylor are unable to rent lofts as the provided room furniture can be lofted.

Only university provided lofts and those rented through College Products are allowed.

Renters Insurance

The Department of Residence Life highly encourages students to get renters insurance upon moving into their residence hall. Although it is unlikely that a student would ever need to file a claim, incidents do happen. The Department of Residence Life is not responsible for damage to personal property if an incident occurs.

Move-In

Residence Life staff work hard to create a move-in experience that is a positive, low-stress and exciting start to the academic year for students, parents and families. Students are encouraged to visit the move-in section of the Residence Life website for complete details and important updates at uwosh.edu/housing/go/move-in.

2023 Move-In Dates

Move-in will occur over a multi-day process starting **Wednesday, Aug. 30** through **Sunday, Sept. 3, 2023**. All first-year students are encouraged to move in on or before Friday, Sept. 1 – the start of Titan Welcome.

The Department of Residence Life’s **Move-In Scheduler** will be open **Aug. 1–16, 2023**. During this time students can select the specific date and time that works best for them to move in. Students who miss this window will be assigned a date and time. That date and time will be communicated to them through their university email.

Students approved for an early move-in due to involvement in fall athletics or select student organizations will receive direct communication from the Department of Residence Life in August.

What to Expect

- Detailed move-in instructions will be sent to students’ university emails in August, but generally, this is how the move in process flows.
- Pull into the designated parking lot outside of your residence hall at the preselected time.
 - Unload belongings in the unloading zone.
 - While the driver moves the vehicle to the designated parking lot, the student goes to the appropriate area and provides a photo ID to receive their key.
 - Once the student obtains their room key, the other members of the student’s party can begin moving items into the room.

Move-in day can be busy with traffic, parking, luggage and people. By following the process communicated by email and available on the Residence Life website, students and their families can begin happily unpacking shortly after arriving on campus.

The Department of Residence Life plans to utilize returning student volunteers to assist with unloading, provide directions for students and families, answer questions and ensure a positive move-in experience.

How to Pack

Join Residence Life in creating a sustainable move-in! Students are encouraged to use sturdy, reusable boxes or crates to keep items together. All containers should be labeled with the student’s name, residence hall and room number prior to arriving on campus.

What to Pack

- The following are provided in each residence hall room. Cable and utilities costs are included in the housing rate.
- Extra-long twin bed (33 X 80 inches)
 - Closet
 - Desk and chair
 - Dresser
 - Window coverings (drapes or blinds)
 - Smoke detectors
 - In-room cable TV connection port
 - Ethernet port
 - Wi-Fi connectivity
 - Trash receptacle and recycling container
 - Carpeting

- Students should bring additional items to create a comfortable living space in their room. These items may include:
- Bedding
 - Bath supplies
 - Laundry items
 - Electronics and a power strip with a surge protector
 - Study supplies
 - Cleaning supplies and a vacuum
 - Mini refrigerator [4 cubic feet maximum] and microwave
 - Fan

- One of the often-overlooked items that students forget to bring is basic health supplies. Items such as:
- First Aid Kit
 - Thermometer
 - Over the counter medications (ibuprofen, aspirin, allergy medicine)

- Certain items are prohibited in the residence halls at UW Oshkosh. The following items should NOT be brought to campus:
- Pets (other than fish)
 - Extension cords and “octopus plugs”
 - Candles, candle warmers, and incense
 - Air conditioners
 - Wireless routers
 - Lofts
 - Air fryers, toasters, pizza ovens, appliances with open coils
 - While allowed in residence hall rooms, e-cigarettes may not be used in the residence halls.

More information about residence hall policies can be found in our Community Rights and Responsibilities Handbook: uwosh.edu/housing/about-us/policies.

Sending and Receiving Packages

Once our residence halls are open for the academic year, family and friends can send mail and packages directly to residence hall addresses (USPS, UPS, FedEx, DHL, Amazon). Addresses for our residence halls can be found at uwosh.edu/housing/residence-halls.

While our front desks can’t accept deliveries from direct stores or third-party delivery services (i.e., Uber Eats, GrubHub, DoorDash, Instacart) residents can meet drivers to accept their delivery. When placing an order, do not choose a “leave at door” option but provide instructions to “call upon arrival” or “meet at the residence hall main entrance door.”

DINING AND MEAL PLANS

UNIVERSITY DINING

Students can find delicious, convenient meals at a variety of locations across campus. Whether you live on or off campus, UW Oshkosh has options that work with almost all preferences and dietary needs. We have dining locations in Blackhawk Commons, Scott Hall, Reeve Memorial Union, the Student Recreation and Wellness Center, Sage Hall and Clow Hall. Cash, credit/debit, Titan Dollars, UW O gift cards and meals are accepted as forms of payment at most dining locations. Dining locations and menus can be found on our website.

Nutrition

University Dining and Aladdin Dining Services staff know that food choices and dietary habits are important parts of our daily lives and are crucial for the health and well-being of students. Our responsibility is to provide nutritionally balanced food choices with accurate ingredient information so each individual can make the best dietary decisions for themselves on a daily basis. Please email us at diningdietitian@uwosh.edu to start the conversation surrounding dietary questions.

Meal Plans

UW Oshkosh offers flexible meal plans for both residential and off-campus students. Meal plans are a perfect blend of meals and Titan Dollars, allowing students the flexibility to choose when, where and what they eat. Learn more about specific meal plan options, criteria and cost by visiting our website.

RESIDENTIAL MEAL PLANS

Classic and Access

Students living in residence halls with fewer than 30 completed credits must sign up for a meal plan. The Classic Meal Plan includes 14 regular meals each week plus 20 bonus meals per

CONNECT WITH US

University Dining
748 Algoma Blvd.
(920) 424-2391
dining@uwosh.edu
uwosh.edu/dining

semester. The Access Meal Plan allows students to use up to two meals per hour in Blackhawk Commons during the week or Reeve Union Marketplace on weekends plus 30 bonus meals per semester. Bonus meals may be used for select menu options for guests or yourself at most campus dining locations. All meal plans also include Titan Dollars to be used at any dining locations on campus. Unused Titan Dollars roll over from fall to spring semester. Titan Dollars balances are forfeited after May-term, so spend them before the end of the academic year. All meal plans are priced for a full 17-week semester, which includes interims.

Ultimate Meal Plans

Students living in residence halls with more than 30 completed credits, or those who have lived in the residence halls for more than two semesters, may select one of the Ultimate Meal Plans. Ultimate Meal Plans include a block of meals to be used at any time, in most campus dining locations. All Ultimate meals must be used in the same semester the meal plan is purchased. Titan Dollar balances are forfeited after May-term, so spend them before the end of the academic year. Meal plan and Titan Dollars balances can be found in the MyUWO Portal, or by asking a cashier to inquire about the balance of meals on your TitanCard.

OFF-CAMPUS STUDENT MEAL PLANS

Students living off campus may select from any of the residential meal plans or the Ultimate Bronze plan. These plans are designed to meet the unique needs of our commuter students who dine on campus. Our plans offer students the flexibility of using their meals any day, any time, at most campus dining locations. All plans are blended with Titan Dollars for the option of quick grab-and-go purchases.

PARKING

Parking on the Oshkosh campus is digital.

Permit holders will be assigned to a specific area of campus based on the permit they have purchased. No physical permit will be issued. A digital permit means your license plate number is your permit, and license plates will be monitored and enforced through License Plate Recognition. More than one plate number may be listed with a permit; however, only one vehicle can be on campus at a time if they're listed on a single permit.

RESIDENCE HALL STUDENT PARKING

Students who have a housing contract with Residence Life will be sent parking information in late June or early July to their student email. If interested in obtaining a parking permit for the 2023-24 academic year, a permit application must be received by the Parking Services office by July 31, 2023.

Resident permits will be assigned based on class standing. Graduate students and seniors will receive permits first, then juniors, etc. Upperclassmen will be awarded prime resident parking. The first class that does not have enough permits available to cover every applicant, typically freshmen, will be placed in the lottery. Class standing will be determined by the number of credits a student has earned prior to the parking application deadline. The lottery drawing will be held at the beginning of August. Resident parking is limited; new students should make alternate plans for their vehicles. Late applications may not be accepted.

Students whose names are drawn will be notified by email of their digital permit and where the digital permit is valid. Permits are billed to the student accounts. All remaining applicants whose names were not drawn will be added to a permit waiting

CONNECT WITH US

UW Oshkosh Parking and Transportation Services
738 High Ave.
uwosh.edu/parking
(920) 424-4455 | parking@uwosh.edu

list in the order the applications were received. Information regarding alternative parking/transportation options will be provided. If you do not receive parking information by July 15, 2023, please contact the parking office by phone or email.

Parking fees for the 2023-24 academic year can be viewed at uwo.sh/resident-parking.

All resident permits cover the full academic year including interims and summer term. Short-term parking permits may be available. Email Parking Services at parking@uwosh.edu or call (920) 424-4455 to inquire about availability.

Alternate Transportation and Shuttle Services

For information on alternate transportation, visit uwosh.edu/parking.

COMMUTER STUDENT PARKING

Permit options and parking fees for the 2023-24 academic year can be viewed at uwo.sh/commuter-parking.

SHORT-TERM PARKING OPTIONS

Short-term (metered) parking is available through AMP Park starting at \$1.25 per hour, depending on location. Download the AMP Park app for free from the App Store or Google Play or visit aimsmobilepay.com for locations and pricing.

Parking permits are expected to be ready for purchase in mid-August, but please check uwosh.edu/parking or login to the parking portal uwosh.aimsparking.com to confirm availability.

Parking and Transportation Office hours are 8 a.m. to 4:30 p.m., Monday through Friday. Check with Parking Services about extended hours at the start of fall semester.

TITANCARD AND TITAN DOLLARS

CONNECT WITH US

Titan Central
748 Algoma Blvd.
(920) 424-1234
titancentral@uwosh.edu
uwosh.edu/reeve/titancard

The TitanCard is the official identification card for every student, faculty and staff member at UW Oshkosh. It offers convenient, easy and safe ways to make purchases and use campus services. Beyond being a University ID card, students can use their TitanCard for their meal plan, to hold Titan Dollars for campus purchases, as a library card, a door access card and a pass for athletic events and the Student Recreation and Wellness Center.

What are Titan Dollars?

- Declining balance account
- Accepted as a form of payment at most retail and service locations on campus
- Carry from fall to spring semester; remaining balance may be converted to a UW Oshkosh gift card
- Non-refundable while enrolled at the University

Please Note

- Residence hall students have \$150 of Titan Dollars per semester as part of the Student Convenience Program.
- All meal plans include additional Titan Dollars of various amounts.

Online Card Office

- To manage Titan Dollars and TitanCard, visit uwosh.edu/online/titancard.

Students can:

- Purchase Titan Dollars
- Check balances
- View account activity
- Deactivate ID if lost or stolen

Parents/Family can:

- Add Titan Dollars

To learn more about the benefits, policies, deposit options and FAQs for the TitanCard and its functions on campus, visit our website or stop by Titan Central, located in Reeve Memorial Union.

Course Materials

The University Books & More course materials department stocks new, used and rental textbooks, as well as a selection of digital resources, ebooks and study aids. Students can view course material information on the bookstore's website and materials can be purchased either in store or online. Online orders may be shipped or picked up when students arrive on campus. Course materials can be charged to the student account year-round, regardless of financial aid status.

Simply visit our website, uwosh.edu/bookstore, and use your TitanWeb course schedule to locate the required course materials for your classes. Not all courses have new, used, rental and digital options. All available options will be listed once you locate your course materials. Shop early for the best selection!

At the end of each semester, University Books & More offers textbook buyback. Students may receive up to half of the new book price in cash—even if they purchased it from a different source. Buyback of individual titles is not guaranteed and is dependent on future course usage and supply. Rental books are due back to the store the Monday following the end of the term.

Apparel and Gifts

University Books & More has the largest authentic selection of UW Oshkosh apparel, including Champion, Nike and many other popular apparel brands. Anyone may stop in to shop the full collection of apparel.

Shop online at uwosh.edu/bookstore! Use promo code: **TAKEOFF** to get 30% off an online apparel and gift order. Promo code expires Sept. 30, 2023.

University Books & More also stocks a wide variety of imprinted gift items. Other popular items include electronic accessories, fair trade gifts and apparel, titan spirit giftware, home decor, art supplies, school and office supplies, trade books and more.

CORNER CONVENIENCE STORE

Located next to University Books & More in Reeve Memorial Union, the Corner Convenience Store offers the quickest and closest place on campus to shop for:

- Cold beverages and soft drinks
- Candy, snacks and chips
- Laundry and cleaning supplies
- Frozen pizzas
- Ready-to-eat sandwiches and single-serve meals
- Vegan and gluten-free options
- Health and beauty products

Location and Hours

Both stores are located inside Reeve Memorial Union on the main level.

University Books & More

Academic year store hours:

Monday–Thursday, 8 a.m.–6 p.m.
Friday, 8 a.m.–5 p.m.
Saturday, 11 a.m.–5 p.m.
Sunday, 4 p.m.–8 p.m.

Corner Convenience Store

Academic year store hours:

Monday–Friday, 7:30 a.m.–9 p.m.
Saturday–Sunday, 11 a.m.–8 p.m.

Employment Opportunities

University Books & More and Corner Convenience Store offer opportunities for student employment with flexible hours, a convenient campus location and friendly staff. Applications are available online.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

FOR MORE INFORMATION

Jennifer Bonack, Registrar
bonackj@uwosh.edu | (920) 424-4077
uwosh.edu/registrar/academic-policies

ACCESS TO STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) is a federal law that grants students the right to determine who will receive academic information about them. Students must authorize the release of records before any third party—including parents or guardians—can view them.

The University has made it easy for students to grant access to third parties/parents through our online system called TitanWeb. After logging into TitanWeb, students will see a link that is called “Grant Access to Others” on their Student Center page.

Choose third party access for four types of information:

- View financial aid awards
- View student conduct
- View and pay tuition and fees
- View grades and term statistics

A confirmation email that shows the login and password for the new account needs to be forwarded to third parties/parents, so they know how to log in. If parents don’t have internet access, students can download the records and provide them.

This also allows the third parties/parents to contact the University to ask questions about this information. Other records, such as mental health, physical health and faculty notes/records, are restricted by federal and state laws, University policy and professional standards. Students can release information from these records to a third party on a case-by-case basis through that specific office.

In most cases, the University will not contact parents to provide medical, academic or disciplinary information without the student’s consent. In an emergency where the student’s health is in jeopardy or there is a concern that the student poses a threat to themselves or to someone else, the University will contact parents. As a general rule, if the student is able to communicate about the situation, they are expected to decide whether and how to discuss it with family members.

Questions about FERPA should be directed to the FERPA Coordinator at (920) 424-4077 or the Registrar’s Office at (920) 424-3454.

ACADEMIC MISCONDUCT

FOR MORE INFORMATION

uwosh.edu/deanofstudents/student-conduct

Students are responsible to be informed about what constitutes academic misconduct, how to avoid it, and what happens if they engage in it. Examples of academic misconduct include (but are not limited to):

- Plagiarism (turning in work of another person and not properly citing the work)
- Copying another student’s homework, paper or exam
- Cheating on an exam
- Allowing another student to copy your work
- Falsifying academic documents

What happens if a student engages in academic misconduct?

UW Oshkosh takes academic misconduct allegations very seriously. Professors will contact students if it is believed that they engaged in academic misconduct and may ask them to explain their work. If they still believe the student engaged in misconduct after meeting with them, they will decide on a sanction, which may include a zero on the assignment or exam, a lower grade in the course or failure in the course. The Dean of Students Office is informed of academic misconduct. Repeated acts of academic misconduct may result in more serious actions such as probation or suspension.

What should students do if they know a classmate is cheating?

If a student knows a classmate is cheating on an exam or other academic exercises, they should notify their professor or exam proctor. As a part of the University community, students are expected to uphold the standards of UW Oshkosh. Also, consider how a classmate’s dishonesty on the exam may affect the overall grading curve and other students’ grades in the class.

How to avoid academic misconduct

- Avoid copying and pasting directly from the internet.
- Know how to cite sources in a paper, lab report or other assignments.
- Use the Writing Center for help with citations. They are experts in APA, MLA and other citation styles.
- Understand the expectations and limitations when working in groups (i.e., Is collaboration allowed on the project or written paper? Should the project or written paper be done alone?).

UNDERSTANDING TITLE IX AND SEXUAL MISCONDUCT AT UWO

FOR MORE INFORMATION

Title IX Coordinator
Rachel Cromheecke
Dempsey 328D, Oshkosh Campus
920-424-0283 | cromheecker@uwosh.edu

What is Title IX?
Title IX is a federal civil rights law passed as part of the Education Amendments of 1972 that protects individuals from sex discrimination and sexual misconduct. Title IX states:

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.”

What does Title IX have to do with sexual misconduct?
Sexual misconduct includes sexual assault, sexual harassment, sexual exploitation, dating violence, domestic violence, and stalking, and because this abusive behavior causes significant harm to victims/survivors of the misconduct, it can have the effect of denying individuals equal access to, and benefit from UWO programs and activities. All sexual misconduct is prohibited by Title IX federal law and University of Wisconsin Oshkosh Policy.

What does Title IX mean for me as a student at UWO?
No one is alone at UWO. Sexual misconduct in any form can have a profound impact on a victim/survivors’ academic, social, working and personal life. It can also affect their friends and family, other students, co-workers and members of the University community. To combat this complex social problem, UWO is committed to preventing and promptly responding to reports of sexual misconduct, providing support to reporters (victims, witnesses), and a fair and impartial complaint process that will determine if a student is responsible for violations of sexual misconduct policy. You can help us with this goal by keeping an eye out for the safety and wellbeing of your friends and all students and speaking up or getting assistance when someone is vulnerable or behaving poorly. Anyone can report an issue or incident.

You can help make the UWO campuses and community a safe place for all Titans by being strong and healthy in your voice and actions!

See the Title IX website for more information, to access support and confidential services, and/or to make a report. >>>uwosh.edu/titleix

ACADEMIC FREEDOM OF EXPRESSION

“The freedom to debate and discuss the merits of competing ideas does not mean that members of the University community may say whatever they wish, wherever they wish. Consistent with longstanding practice informed by law, institutions within the System may restrict expression that violates the law, that falsely defames a specific individual, that constitutes a genuine threat or discriminatory harassment, that unjustifiably invades substantial privacy or confidentiality interests, or that is otherwise directly incompatible with the functioning of the University. In addition, the institutions may reasonably regulate the time, place and manner of expression to ensure that it does not disrupt ordinary activities. But these are narrow exceptions to the general principle of freedom of expression, and it is vitally important that these exceptions never be used in a manner that is inconsistent with each institution’s commitment to a completely free and open discussion of ideas.

“These principles carry responsibilities. Academic freedom carries the responsibility for the faithful performance of professional duties and obligations. All members of the university community at each of the institutions in the University of Wisconsin System share in the responsibility for maintaining civility and a climate of mutual respect. Although members of the university community at each institution are free to criticize and contest the views expressed on campus, they may not obstruct or otherwise interfere with the freedom of others, including speakers who are invited to campus, to express views

they reject or even loathe. Freedom of expression also carries the obligation to make clear that when speaking on matters of public interest or concern, one is speaking on behalf of oneself, not the institution.

“Each institution in the University of Wisconsin System has a solemn responsibility not only to promote lively and fearless exploration, deliberation and debate of ideas, but also to protect those freedoms when others attempt to restrict them. Exploration, deliberation and debate may not be suppressed\ because the ideas put forth are thought by some or even by most members of the University community (or those outside the community) to be offensive, unwise, immoral or wrongheaded. It is for the members of the University community, not for the institution itself, to make those judgments for themselves, and to act on those judgments not by seeking to suppress exploration of ideas or expression of speech, but by openly and vigorously contesting the ideas that they oppose. Indeed, fostering the ability of members of the University community to engage in such debate and deliberation in an effective and responsible manner is an essential part of each institution’s educational mission.”

(Policy Statement, Section 1, UW System Policy RPD 4-21)

A complete copy of the UW System Policy RPD 4-21 can be found online at: wisconsin.edu/regents/policies/commitment-to-academic-freedom-and-freedom-of-expression.
