Greetings Fellow LIR Members:

We are excited to present our Learning in Retirement Spring 2020 Catalog. It represents our biggest and best catalog ever.

LIR is committed to expanding our programming to the north in partnership with the University of Wisconsin Oshkosh, Fox Cities. Did you ever want to have the ability to be in two places at the same time? You will after you see the quality programming we have to offer you. In fact, we have more programs than we have possible dates. Decisions. Decisions.

We are confident you will find many topics of interest to entertain and challenge your mind. Don't forget to participate in a tour for an enriching experience.

Watch for surprises too. Last November over 200 people were thoroughly captivated and entertained by Craig Culver's success story.

LIR's success is dependent upon active, interested members. I encourage you to share your talents to strengthen LIR. Encourage your friends to join. We all benefit from increased participation.

Keep on...Learning in Retirement!
See you at the next session.
