

**Bachelor of Applied Studies
Leadership and Organizational Studies**

AVIATION MANAGEMENT

UW Oshkosh's online Aviation Management emphasis prepares students who have an applied associate degree, A&P diploma or a minimum of three years of related professional experience to move into advanced positions and become industry leaders. With a focus on developing skills in leadership and administration, your Aviation Management emphasis builds upon your professional and educational aviation experience.

Students in the Aviation Management emphasis improve their career potential by developing skills and knowledge in the following areas:

- Aviation and aeronautics systems analysis
- Airline management
- Aviation law
- Aviation labor relations
- Strategic and operational planning
- Conflict resolution, negotiation and arbitration skills

Degree: Bachelor of Applied Studies

Emphasis: Aviation Management

University Studies Program

Minimum of 38 USP credits required

Writing	3 credits
