

Bachelor of Applied Studies

CRIMINAL JUSTICE

Become a leader in the criminal justice field, and earn your Bachelor of Arts or Science in Criminal Justice. Gain a better understanding of the complex systems of law enforcement and corrections, and increase your career potential with a bachelor's degree.

Students in the Criminal Justice program take coursework that focuses on:

- Writing and critical thinking skills
- A theoretical understanding of crime
- Data analysis
- Policy formulation and analysis
- Legal, ethical, administrative and behavioral aspects of criminal justice

The BAS Criminal Justice program is for students who have an associate degree in public safety and are working in this field.

Earn Your Degree in About Two Years

For full-time students with 60 or more transferable credits, the BAS Criminal Justice degree can be completed in as little as two years.
