

LEADERSHIP DEVELOPMENT

The fast-paced, dynamic global economy requires leaders with strong decision-making skills. The Leadership Development program prepares you to take on complex leadership and management decisions.

The Leadership Development program combines coursework in a number of disciplines to help develop a broad base of skills necessary for becoming a leader in the workplace. Students who pursue a degree in Leadership Development develop critical thinking and conflict management skills through creative and innovative problem solving.

Coursework focuses on:

- Transformative leadership
- Collaborative leadership dynamics
- Conflict resolution

100 Percent Online and Accelerated

The Leadership Development program is offered completely online! Most courses are delivered in accelerated, seven-week sessions, which offer additional flexibility for students working full-time. And with our fixed, flat-rate tuition, budgeting for your degree is easy. Financial Aid is available.
