

Bachelor of Liberal Studies

ORGANIZATIONAL ADMINISTRATION

Businesses need leaders who can build strong organizational foundations. Study organizational administration and become an asset to your company.

The Organizational Administration emphasis combines coursework in a number of disciplines to help you develop a broad base of skills necessary for becoming a leader in the workplace.

Students who pursue a degree in Organizational Administration develop critical thinking and conflict management skills through creative and innovative problem solving.

Coursework focuses on:

- Managing people at work
- Organizational communication
- Applied data gathering and analysis
- Project planning and implementation

Degree: Bachelor of Liberal Studies

Emphasis: Organizational
Administration
