

Bachelor of Liberal Studies

LIBERAL STUDIES

Leaders are critical thinkers who can approach challenges and opportunities with a broad perspective. The Liberal Studies degree combines coursework in a number of disciplines to help you develop a broad base of skills necessary for becoming a leader in the workplace. This degree, without an emphasis, is targeted to those that have previously earned a significant number of college credits.

Coursework Focuses On:

- Contemporary global and environmental issues
- Different approaches to leadership
- Workplace and communication trends
- Work-life balance in American society

Qualify for leadership and management positions in a variety of fields with a Bachelor of Liberal Studies degree!

Degree: Bachelor of Liberal Studies
Major: Liberal Studies
