

ACT TEST PREP COURSE

A MUST for High School Students

A strong performance on the ACT can make the difference in gaining admittance to or receiving financial aid for your top college choices. Give yourself the edge you need to direct your own future by attending the UW Oshkosh ACT Test Prep Course!

The ACT exam contains four curriculum-based tests that measure academic achievement in the areas of English, reading, math and science reasoning. By enrolling in the UW Oshkosh ACT prep program, you will strengthen your academic skills and learn test-taking strategies that will prepare you for the ACT. This course was developed to help you gain acceptance to the college of your choice and receive academic scholarships.

This program provides 12 hours of instruction in the four academic areas of the ACT exam. Participants will get an orientation to the ACT, will have the opportunity to take two official retired ACT tests and will take additional quizzes. The instructors will teach test-taking strategies for each of the components and for the entire test, and students will practice with printed materials where test-taking tips can be applied and reinforced. Finally, students will complete interactive skill drills in their individual deficit areas, which are measured by the diagnostic test.

**Visit [ACT.org](https://act.org) for
upcoming ACT Test Dates**

Students will:

- Take an official, retired ACT test that will determine areas where help is needed most and customize the course curriculum based on students' test results. Receive a detailed analysis of the test, showing strengths and weaknesses.
- Receive and use a textbook containing modules for test anxiety, time management, applying for college, basic skills review, test-taking strategies, exercises and quizzes.
- Learn powerful test-taking strategies for each test section and question type, frequently-tested concepts and question patterns, specific test structure and scoring methods for each of four academic areas: reading, math, English and science reasoning.
- Reinforce the strategies learned through interactive skill drills and multiple quizzes.
- Take a final, official retired ACT test and receive a detailed computer analysis for comparison with the pre-test.
- Be able to use the data from the final test to prepare for the actual ACT exam.

Additional Information

Saturday mornings in Fall 2022 and Winter 2023
Oct. 8–Nov. 19, 2022
Jan. 7–Feb. 11, 2023

Register Online: uwo.sh/actprep

Fee

\$230 Fall 2022 or Winter 2023

The fee includes the ACT SUCCESS textbook, official retired ACT pre- and post-tests, and analysis and instruction in the four content areas. Course materials are provided by the Academic Tutoring Center.

Class size is limited and on a first-come, first-served basis. You will only be guaranteed a seat when your registration form and payment are received. We urge you to register early.

Questions: Call the Division of Online and Continuing Education at (920) 424-1129.

Registration Deadline: Your registration is requested 10 days prior to each program start date, or until the class has been filled, whichever comes first. After this date, please call the Division of Online and Continuing Education at (920) 424-1129 to determine program availability.

Note: Fee payment must be received by the registration deadline.

Cancellation Policy: Cancellations received 10 full business days or more before the start of a program will receive a full refund, minus a \$35 processing fee. No refunds will be made for cancellations received less than 10 full business days before the program begins. UW Oshkosh reserves the right to cancel any program due to insufficient enrollment, as well as the right to limit enrollment due to excessive demand.

If you need special assistance and/or accommodations, please notify us by the registration deadline. All requests will be kept confidential.

UW Oshkosh is an Equal Opportunity/Affirmative Action institution.

Improve your ACT test score!

Through the UW Oshkosh ACT Prep Courses, students have improved their ACT Composite scores. The ACT Composite score is tallied on a scale up to 36 points.

The average class increase for Fall 2021 was:

English: 2 points

Math: 1 point

Reading: 1 point

Science: 1 point
