**SCHOLARSHIP APPLICATION**

Undergraduate students who will complete a full degree at UW Oshkosh and students studying in the Intensive English Program are eligible to apply. Scholarships are not available to exchange or visiting students. To apply, attach a 500-1,000 word original essay addressing 1) your commitment to your own educational development and 2) your commitment to using your education and skills to contribute to your community. Demonstrate your commitment by discussing your extracurricular activities, leadership positions, volunteer work and/or other relevant activities.

Check this box if original financial documents must be mailed back to you for your visa interview.

I understand that I am obligated to pay all tuition & fees due to UW Oshkosh, regardless of the amount I have personally pledged and regardless of whether my sponsor is able to pay as indicated. I affirm that my financial documents are authentic and accurate. I understand that I am obligated to notify the UW Oshkosh Student Accounts Office (SA@uwosh.edu) immediately if I become unable to fulfil my financial obligation to the University.

I understand that international students are subject to the same rules and regulations as domestic UW Oshkosh students. Late payment will result in finance charges or administrative withdrawal. I understand that administrative withdrawal leads to enforcement of immigration regulations, requiring that I depart the U.S. immediately.

I understand that falsifying documents or misrepresenting my financial situation will lead to administrative withdrawal.

I understand that most students who work consistently, including summer employment and employment during university breaks, and accounting for the need to cover minimal summer living expenses, net a maximum of about \$3,500 per year. Students who work consistently but do not stay in the U.S. during summer net a maximum of about \$3,000 per year. Off campus employment during the first year of studying for a degree in the U.S. or while studying in an Intensive English Program is not allowed by the U.S. government. Students eligible to work on campus must compete for jobs. Anticipated earnings from employment while studying CANNOT be considered on this application.

I understand that the U.S. Embassy or Consulate *may* not require original financial documents. Some embassies/consulates require these and some do not. **HOWEVER, I agree to bring ALL ORIGINAL DOCUMENTS that can help me prove that I can pay for my education to my visa interview. FAILURE TO PROVE THAT I AM FINANCIALLY SECURE will probably lead to visa denial.**
