

## PROFESSIONAL COMMUNICATION CERTIFICATE

Increase your influence within any organization.

Professional communication skills are required in every position. This four-course certificate program highlights the most important topics in establishing and improving your professional communication skills.

Available 100% online, the professional communication certificate is open to current students and working professionals who want to brush up and keep up on current communication trends. Coursework complements previous learning, and the learning outcomes are applicable within any professional setting.

## 100% Online and Accelerated

The professional communication certificate is offered completely online. Most courses are delivered in accelerated, seven-week sessions to increase flexibility for full-time working students. Budgeting for the certificate is also easier with a fixed, flat-rate tuition.

## Apply Today

From small classes to dedicated advisors, students in the UW Oshkosh online professional communication certificate program have a strong support network from day one. Contact an advisor today to learn more about your options.
