Zoe Dahse – Senate Inclusivity Initiatives

Senator Dahse: We have been working on a resolution in response to the incident that took place over the course of the OSA Election this year. I don't know how many of you went to the open forum that took place following that incident. We are hoping to create a committee that we don't have an official name for yet, but it will be something like Diversity and Inclusivity Action. Dr. Munin will be serving as the advisor of this committee and the OSA Diversity and Inclusion director would be the chair of the committee. There would also be other representatives from OSA and other shared governance bodies from campus as well as representatives from campus departments and areas. The committee will be meeting about once a month and we want to bring

transparency to the incidents that do take place on this campus. We are hoping that some of you will have members from your organizations to sit on the committee so we can have everyone's voices be heard.

If you would like more information please email dahsez08@uwosh.edu.

VIII. Officer Reports –

- a. Speaker Pro-Tempore – (Shane – osaspeakerpt@uwosh.edu) – I removed placards today for all organizations who have lost their voting rights. I encourage you all to start thinking about how you are going to transition your organizations. I am currently working on a transition guide and if any of you all want to help with that I would gladly welcome that. Also, if you take your placard with you at the end of the meetings, please stop doing that. It makes it harder for us to keep track of who has voting rights and who doesn't.
- b. Speaker of the Assembly – (Ellen – osaspeaker@uwosh.edu) – Every year OSA has awards that we give out. I choose a nominee from the Assembly who has been very dedicated for this award each year. May 6 is the Celebration of Student Leadership which is where I will present the award, and I will also present the award during the Assembly meeting that day as well. And May 6 is when Sydney and Zack will be sworn in to office so that is really exciting.
