

Two Directions Model:

- Route 1:
Brought up and Passed by one body and if wanted to gets sent to the University Group
- Route 2:
Brought to from university group and must pass by 2/3
- Questions:
- How often would the combined group meet?
 - Who can bring resolutions up?
 - Name of combined University group?
 - Timing: can we shorten process?
 - What other student shared gov groups should be on the university group if any?
 - Process to add other groups?

University Group

- President from each
- 1 Appointed student from Fox
- 1 Appointed student from Fon
- 4 Appointed from Osh
- (appointed students can be executive boards and or other student gov leaders at out university)
- Ambassador Positions: (start with merger doc groups)
- USRH
- RAC
- Meeting is open to Anyone
- They vote their chair (has normal voting rights, just leads meetings and is the "designated person")

Pass by 3/4

Route 2:
Brought up at the University group

- Notes:
- Just used for University Resolutions, not campus
 - Would have a bicameral format without adding another group or taking away what the campuses currently have
 - Would contain checks and balances
