

1. PURPOSE

The purpose of this policy is to increase the number of veterans and veterans with a service-connected disability rating employed by UW Oshkosh.

It is the policy of the University of Wisconsin Oshkosh to practice nondiscrimination and take affirmative action in employment with respect to both veterans and veterans with a service-connected disability rating of at least 30%. Nondiscrimination requires thorough, systematic efforts to prevent discrimination against veterans from occurring or to detect it and eliminate it as promptly as possible. The affirmative action obligation requires proactive recruitment and outreach measures, including considering the noncompetitive appointment of qualified disabled veterans.

Wis. Stat. § 230.042 authorizes the Wisconsin Council on Veterans Employment to require UW System institutions to adopt a Veterans Employment Plan of Action, under which the institutions must strive to meet goals established by the Council.

2. AUTHORITY

The Wisconsin Veterans Employment Initiative, under authority of Wis. Stat. § 230.042, is a statewide program aimed at increasing both the number of veterans and the number of veterans with a service-connected disability rating employed in state government. These provisions also establish a Council on Veterans Employment, the purpose of which is to advise and assist the Governor in establishing a coordinated, government-wide effort to increase the number of veterans employed in state government. Pursuant to the authority set forth in Wis. Stat. § 230.042, UW-Oshkosh adopts and implements this Veterans Employment Plan of Action.

3. RESPONSIBLE OFFICER

The AVC of HR/EO/AA in collaboration with the Director of EOA is responsible for ensuring that the plan of action is followed.

5. POLICY STATEMENT

UW- Oshkosh has prepared and will implement this plan to take affirmative action to employ veterans and veterans with a service-connected disability rating. The percentage of disabled and non-disabled veterans in the state civilian labor force will be determined and announced by the Department of Workforce Development for each fiscal year. With this information, the Council on Veterans Employment will establish the employment goals for state employers.

6. GUIDELINES & PROCEDURES

(a) General

1. To enhance veteran recruitment efforts, UW-Oshkosh will use veteran-focused job boards and other web-based recruitment and hiring resources.
2. When requested, human resources staff will provide veterans with up-to-date veteran employment information and information on ways a veteran and/or a veteran with a service-connected disability rating may apply for vacant positions.
3. Human resources staff may assist veterans by making referrals when appropriate.
4. Partnerships should be established with local and national recruiting sources for referral of qualified covered veteran applicants and with the Veterans Administration Medical Center job placement programs.
5. To recruit veterans, vacant positions will be distributed to state contacts and veterans job boards.
6. Covered student veterans should be actively recruited.
7. To ensure compliance with federal requirements, UW System Service Center guidelines for the collection of and the input of veteran and veteran disability rating information must be followed. Veteran and veteran disability data will be requested via the appropriate self-identification form from all new employees during employee onboarding. Veteran recruitment and hiring data will be reported as part of UW- Oshkosh’s affirmative action program in compliance with federal regulations.

(b) Noncompetitive Appointment of Disabled Veterans

A disabled veteran with a 30% or more service-connected disability rating may be appointed without a recruitment. Following are guidelines for such an appointment:

1. UW-Oshkosh will allow for the noncompetitive appointment of qualified veterans with a 30% or more service-connected disability rating. When a vacancy occurs in a position, a disabled veteran may be appointed on a noncompetitive basis. Nothing in this policy, however, requires the institution to make such a noncompetitive appointment.
2. If UW-Oshkosh considers the appointment of a qualified disabled veteran to a vacant position on a noncompetitive basis, the institution must offer an interview for the position to any disabled veteran who has expressed an interest to the institution in applying for the position and who appears to have the skills and experience suitable for performing the duties and responsibilities of the position. If a disabled veteran is appointed as a result of this procedure, other applicants (i.e., applicants who are not disabled veterans) will not be interviewed.
3. UW-Oshkosh may make a noncompetitive appointment of a disabled veteran only if all of the following occur:
 - The disabled veteran is qualified to perform the duties and responsibilities of the position.
 - The disabled veteran has served in the U.S. armed forces and is included on U.S. armed forces permanent disability list with a disability rating of at least 30%, or the disabled veteran has been rated by the U.S. Department of Veterans Affairs as having a compensable service-connected disability of at least 30%.
 - The disabled veteran presents written documentation from an appropriate department of the federal government certifying the existence and extent of the disability. This certification must have been issued within the year preceding appointment.
 - The disabled veteran is not currently employed (with an expectation of continued employment) at a UW System institution or at any State of Wisconsin agency.
4. Any recruitment that targets hiring a disabled veteran may be done prior to posting a vacant position or may be done concurrently with other recruitment efforts.
5. When a targeted recruitment fails to attract any disabled veterans, a new application deadline may be established and additional targeted recruitment activities may be undertaken.

(c) Procedures for Positions Posted as Open Recruitments

When a recruitment to fill a vacant position does not target disabled veterans, disabled veterans may nevertheless request a noncompetitive appointment for any posted position. Such an applicant may be considered for employment either before or along with other applicants.

(d) Other Procedures Related to Hiring of Veterans with a 30% or Greater Service Connected Disability Rating

If UW-Oshkosh is aware, through any source, of a veteran with a 30% or greater service-connected disability rating, it may contact that veteran to determine qualifications for and

interest in any vacant position, regardless of whether the veteran has specifically applied for such a position.

(e) **Reporting**

UW System Administration will provide the Council on Veterans Employment with data related to the employment of veterans as appropriate.
