## Professional Experience

---

### University of Wisconsin-Milwaukee – Experimental Politics Lab

Member

Collaborate with group members to carry out pre-registered experimental design surveys (Qualtrics, Lucid)

Work for the lab is completed using the open-source software GitHub

Our current project involves a large-*n* survey made possible by the UWM Discovery & Innovation Grant

Experimental Politics website: <https://experimentalpolitics.github.io/>

Milwaukee, WI

2018 –

## University of Wisconsin-Milwaukee – Graduate Student Association

Milwaukee, WI

Political Science Department Coordinator

2019 – 2020

Worked under the guidance of the director to plan and carry out department-wide events

Responsible for developing workshop sessions for graduate students

Helped manage the Milwaukee Area Political Science Seminar (MAPPS) speaker series at UWM & Marquette

## State of Illinois – Office of the Governor

Springfield, IL

Constituent Affairs Fellow

2016 – 2017

Responsible for connecting constituents to crucial state services & promoting civic engagement across Illinois

Worked directly with other agencies within state government to:

- Prepare daily constituent reports and relay those concerns to the Governor and other staff;
- Compose both official and ceremonial proclamations from the Governor;
- Compose letters to constituents, organizations, and other state legislators from the Governor;
- Hold outreach events across the state

Integrated a new correspondence software to better connect constituents with the office (iConstituent)

Established new retention procedures to better archive, store, and dispose of constituent correspondence
