

Form B: Thesis Chair and Summary Form

To be submitted to the Graduate Coordinator on or before the last Friday of APRIL of your second semester (Spring semester of your first year). Along with this form, please submit a 2-page, single-space summary of the thesis proposal or a thesis draft. The proposal must include a literature review and a method section.

If you miss this deadline you must provide a 1-2 page, typed summary as to why this was the case. In addition, provide a detailed outline of how you will proceed with your thesis to ensure graduation in a timely manner and ensure that future deadlines are met. You must turn this form in and then meet with at least two members of the Graduate Curriculum Committee if this deadline is not met.
