

**Form D: Complete Thesis Draft**

To be submitted to the Graduate Committee on or before the last Friday of APRIL of your fourth semester (Spring semester of your second year).

Along with this form, please submit a complete draft of your thesis. The draft must include a complete and thorough literature review, a detailed method section, results section, and a discussion section.

If you miss this deadline you must provide a 1-2 page, typed summary as to why this was the case. In addition, provide a detailed outline of how you will proceed with your thesis to ensure graduation in a timely manner. You must turn this form in to the Graduate Coordinator. We strongly encourage you to speak with your thesis adviser to generate a realistic plan for thesis completion.
