Adding a Class

1) Go to Search for Class in Titan Web. Select the Term you wish to add a class.

2) Select Subject, Course Number and Campus.

3) All open sections for that class will appear. Select the section/time you are interested in:

4) A summary of the class will appear. If you are still interested in adding the class, select Next.
5) The class is now in your shopping cart. Click Proceed to Step 2 of 3.

6) You will not be enrolled until you click Finish Enrolling.

7) Look for the message “Success: This class has been added to your schedule and a green check mark.

8) If you get a Red X, please read message carefully and either select a different class or contact the department for assistance.
