Adding a Multi-Component Class

1) What is a multi-component class? This is a class that usually has a lab, lecture and/or discussion associated with it. They meet 4-5 days a week. Usually they are science or foreign language classes.

2) Go to Search for classes. Select the Subject and Course Number you are looking for. Make sure to also select your Home Campus.

3) Select the lab time you would like. By doing this, it will automatically enroll you into the lecture that is associated with.
4) Then click Next:

- **BIOLOGY** 105 - Bio Condnt Unly (XL)
  - Laboratory Section A03L
  - selected Tu 8:00AM - 10:00AM Halsey 211 - Intro. Biology

**You will automatically be enrolled in the following related class:**

<table>
<thead>
<tr>
<th>Description</th>
<th>Section</th>
<th>Schedule</th>
<th>Room</th>
<th>Instructor</th>
<th>Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lecture</td>
<td>A09C</td>
<td>MoWeFr 9:10AM - 10:10AM</td>
<td>Halsey 105</td>
<td>R. Mitchell</td>
<td>Open</td>
</tr>
</tbody>
</table>

**Wait List**

- Wait list if class is full

**Grading**

- Graded

**Units**: 4.00

5) It will then give you a summary of what you are enrolling in.

**Enrollment Information**

- XL Lab Science
- FOXFDL Lab Science
- FOXFDL Natural Science

**NOTES**

- **Class Notes**: This course charges a fee to help defray a portion of the cost of lab supplies used in the course. Students who do not attend the first class in which attendance is taken will be dropped from class if seats are needed.
6) Hit Next when you are ready. It will then show you your shopping cart. Proceed to Step 2 or 3.

7) You must click Finish Enrolling to finish the process.

8) Look for the message “Success: This class has been added to your schedule and a green check mark.

9) If you receive a Red X – please read message and follow directions.
