

Lake Winnebago Region Restructuring
Project Decision

Originating Work Group or Department:	Traditions
Date Submitted for approval:	6-12-18
Decision Title:	Recognition of New University (pending HLC approval)

Decision

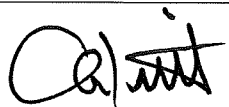

A Chancellor's video message will be sent via email to all employees at the three campuses in early July. The message will welcome new employees from UW-Fond du Lac and UW-Fox Valley and celebrate the opportunities ahead for the new three-campus university.

Background

It is important to recognize this joining of the three campuses as a significant event. Distributing a welcome message via email will allow all employees to access the message at the same time, either on campus or off campus.

Next Steps

University Marketing and Communications will produce and distribute video message.
