

Lake Winnebago Region Restructuring
 Project Decision

Originating Work Group or Department:	Governance – University Staff Workgroup
Date Submitted for approval:	12/14/18
Decision Title:	University Staff Senate Bylaws and Representation

Decision

Adds one Senator from each Access Campuses to the University Staff Senate and Executive Committee. In Article VIII (Officers), since each campus gets one representative, and that rep. is on the executive board, if that representative is elected president the at-large position goes back to the general senate.

Background

The University Staff Senate has passed these changes to the bylaws (see attached). The final vote was unanimous (14-0-0). The main focus of the changes was to be inclusive of the access campuses and present a fair representation for the groups. Since the numbers are low at each campus, it seemed logical to everyone to keep the numbers to 1 per campus.
