

Lake Winnebago Region Restructuring  
Project Decision

<b>Note:</b>	The purpose of Project Decisions is to serve as a record of the agreement of the University leadership to pursue activities, operational processes, and policies that support the "Three Campuses, One University" credo. However, they do not—and cannot—commit the University to allocation of budgetary resources or additional personnel that might be required to pursue them. Such obligations take place through separate processes within UW Oshkosh. As such, the implementation of all Restructuring Project Decisions is always subject to resource availability.

<b>Decision Title:</b>	Approval Authority for Filling Existing Faculty Lines

<b>Recommended Decision</b>
During FY2020, we will continue to use a modified practice to fill existing faculty lines at each campus, thereby ensuring adequate representation. If Instructional Budgets are combined, department chairs/supervisors initiate the request; request is reviewed and recommended by deans/directors, and reviewed by budget, affirmative action, HR, and IPAR according to existing UW Oshkosh processes.
