

Lake Winnebago Region Restructuring  
Project Decision

**Note:** The purpose of Project Decisions is to serve as a record of the agreement of the University leadership to pursue activities, operational processes, and policies that support the “Three Campuses, One University” credo. However, they do not—and cannot—commit the University to allocation of budgetary resources or additional personnel that might be required to pursue them. Such obligations take place through separate processes within UW Oshkosh. As such, the implementation of all Restructuring Project Decisions is always subject to resource availability.
