Student Tests Positive

Complete POSITIVE CASE REPORT FORM.
Receive call from Public Health Disease Investigator. Assist with contact tracing efforts. (See Stage 2 for additional process)

If you are attending f2f courses...
Email instructors to say you will be unable to attend class due to COVID isolation.

If you live on campus...
Contact Student Health Center for isolation housing referral. 920-424-2424. Food delivery to isolation housing is available

If you have a job on campus...
Notify your supervisor that you will be unable to report to work in-person due to COVID isolation.

If you are involved in other on-campus activities or extra curriculars
Notify your staff advisor/coach/instructor that you will be unable to participate in f2f activities until further notice.

Self-Isolation is required. Do not go to work, school, or public areas.

What does this mean?
