I. Overview
The Cheer and Stunt Team will follow this Standard Operation Procedure for practice during the Spring 2021 semester. This SOP does not include competition. Practice will take place in Kolf Gym C from February 1st, 2021 through May 7th, 2021, three days per week.

The Cheer and Stunt Club will follow all guidelines listed by the University of Wisconsin Oshkosh.

II. Applicability:
This standard operating procedure applies to all participants of Cheer and Stunt team (students, faculty/advisor, and staff). Only students are allowed to be a member of the club. There will be no spectators or visitors at practice.

III. Procedure: Moderate Alert Protections in Place

A. Face Covering Requirements
   1. Face Coverings will be worn in accordance with the University SOP on the use of Face Coverings.

B. Physical Distancing Parameters
   1. During cheer routines, physical distancing is a challenge because we depend on specific spacing as a part of the routine. In order to allow for physical distancing, limited numbers of participants in each formation will be allowed. This will assist in achieving the physical distancing requirements.
   2. Personal belongings will be required to be placed 6 feet away from each other.

C. Procedure/Process
   1. Self-Assessment: All players should complete the self-assessment on the UWO Mobile App before practicing.
   2. Testing:
      i. All players will be required to be tested for COVID-19 weekly using the University testing facility at Albee Hall.
      ii. The executive board will be responsible for tracking practice attendance. Documentation of this tracking will be available upon request.
iii. A University staff member will be responsible for tracking the club’s testing. Proof of testing will not be provided to a student to track compliance. Documentation of this tracking will be available upon request.
   1. The club executive board includes: Alexandria Blaine, Katie Lamers, and Miranda Hopp
   2. The club advisor and/or University staff member is: Meghan Dirth
iv. Students who test positive or are deemed close contacts must follow the procedures of the University for the isolation or quarantine period as required.
3. Participants: There will be no more than 20 people in the practice space at a time.
4. Temperature Checks: Temperature will be taken upon entering the gym. This will be conducted by the Executive Board. Players with a temperature of over 100.4 degrees Fahrenheit will not be allowed to practice and encouraged to get tested.
5. Equipment: There will be no sharing of equipment, water bottles, or towels

D. Hygiene
1. Players will wash hands before and after practice, if an athlete touches any part of their face, or as needed. Hand washing and cleanliness will be recommended to players at all times.
2. Hand sanitizer will be available for all athletes during practice and will be provided by the club.
3. No drinking from water fountains (everyone needs to bring their own water/water bottle)
4. Each athlete must provide their own roll of athletic tape, wristbands, braces, etc. if they are needed.

E. Disinfection
1. All shared equipment and high-touch surfaces will be disinfected after being used. The Executive Board will be responsible for this. The club will get disinfecting supplies from the University using their campus account.
