I. Overview
The Men’s Volleyball Club will follow this Standard Operation Procedure for practice during the Spring 2021 Semester. This SOP does not include competition. Practice will take place at Kolf.

The Men’s Volleyball Club will follow all guidelines listed by the University of Wisconsin Oshkosh as well as guidelines listed by the National Collegiate Volleyball Federation (our governing sport body).

II. Applicability:
Students who are a member of our club and recognized coaches (only players and coaches will be allowed at practice)

III. Procedure: Protections in Place
A. Face Covering Requirements
   1. Face Coverings will be worn in accordance with the University SOP on the use of Face Coverings.
B. Physical Distancing Parameters
   1. Traffic flow in the practice area will be controlled. Players will be assigned arrival and departure times for each practice to reduce cross contamination
   2. Personal equipment and water breaks will be spaced at least six feet apart.
   3. Players will work in small groups of 3-4, and each pod will be assigned to a different court (we have three courts in the gym). This pod style will keep groups separate from each other and increase our ability to maintain distancing on each court. Coaches will be assigned to one pod.
C. Procedure/Process
   1. Self-Assessment: All players should complete the self-assessment on the UWO Mobile App before practicing.
   2. Testing:
      i. All players will be required to be tested for COVID-19 weekly using the University testing facility at Albee Hall.
ii. The coach and executive board will be responsible for tracking practice attendance. Documentation of this tracking will be available upon request.

iii. A University staff member will be responsible for tracking the club’s testing. Proof of testing will not be provided to a student to track compliance. Documentation of this tracking will be available upon request.
   1. The club executive board includes: Nathan Dodge, Michael Lemmons, Matthew Aussem, and Evan Solomon
   2. The club advisor and/or University staff member is: Heike Alberts
   3. The club coach is: Alex Hardy: unaffiliated with the University, former student, employed as a nurse

iv. Students who test positive or are deemed close contacts must follow the procedures of the University for the isolation or quarantine period as required.

3. Temperatures Checks: Temperature Checks will be conducted and tracked by the coach and executive board before each practice. Players with a temperature of over 100.4 degrees Fahrenheit will not be allowed to practice and encouraged to get tested.

4. Facility: Limited doors will be open throughout the facility

5. Practice: Team will be split into small groups in order to reduce the amount of cross contamination between teammates.

D. Hygiene
   1. Players will wash hands before and after practice. Hand washing and cleanliness will be recommended to players at all times as players will share volleyballs within their pod.
   2. Personal Hygiene Recommendations for players: Avoid touching eyes, nose, and mouth with unwashed hands. Cover cough and sneeze with inside of elbow or tissue. Discard tissues immediately after use. No spitting, sharing of towels, or sharing of clothing. No sharing of water bottles. Kolf locker rooms are not available for use.

E. Disinfection
   1. All equipment will be disinfected before and after each practice. The Executive Board and coaches will be responsible for providing the disinfection supplies and ensuring that disinfection takes place. The club will get disinfecting supplies the University using their campus account.
