### I. Overview

The Hockey Club will follow this Standard Operation Procedure for practice during the Spring 2021 Semester. This SOP does not include competition. Practice will take place at the Oshkosh YMCA on 20th Avenue beginning March 30th on Tuesdays and Thursdays from 4:30pm-5:30pm.

The Hockey Club will follow all guidelines listed by the University of Wisconsin Oshkosh as well as guidelines enforced by the YMCA.

### II. Applicability:

Students who are a member of the club and coaches. Only players and coaches will be allowed at practice.

### III. Procedure: Protections in Place

A. Face Covering Requirements
   1. Face Coverings will be worn in accordance with the University SOP on the use of Face Coverings.

B. Physical Distancing Parameters
   1. Physical Distancing will be enforced in locker rooms, before and after practice, and whenever possible during practice.
   2. Unnecessary physical contact will be strongly discouraged (high fives, handshakes, fist bumps, hugs).
   3. Transportation: The team will have a maximum of 2 people per car when carpooling to practice. Furthermore, the follow the guidelines will be followed:
      i. Avoid using the recirculated air option for the car’s ventilation during passenger transport; use the car’s vents to bring in fresh outside air and/or lower the vehicle windows. It is better to open a window opposite of where you’re sitting, rather than your own window.
ii. Passengers will wear a cloth face covering and cover their mouth and nose with tissues if they cough or sneeze. Passengers will dispose of the tissues after exiting the vehicle.

iii. Passengers should not sit directly behind one another.

4. A maximum of one coach will be on ice for the instruction period of practice.

5. No small area drills or drills which cause players to be grouped together for long periods of time will be used.

C. Procedure/Process

1. Self-Assessment: All players should complete the self-assessment on the UWO Mobile App before practicing.

2. Testing:
   i. All players will be required to be tested for COVID-19 weekly using the University testing facility at Albee Hall.
   ii. The executive board will be responsible for tracking practice attendance. Documentation of this tracking will be available upon request.
   iii. A University staff member will be responsible for tracking the club’s testing. Members will send proof of testing to a University staff member prior to Tuesday practice each week. Documentation of this tracking will be available upon request.
      1. The club executive board includes Trent Bachman, Brady Wright, and Ethan Rentmeester.
      2. The club advisor and/or University staff member is Jordan Mooney.
      3. The club coach(s) is: Wes Holiday.
   iv. Students who test positive or are deemed close contacts must follow the procedures of the University for the isolation or quarantine period as required.

3. Temperatures Checks: Temperature Checks will be conducted and tracked by the coach and executive board before each practice. Players with a temperature of over 100.4 degrees Fahrenheit will not be allowed to practice and encouraged to get tested.

D. Hygiene

1. Players will wash hands before and after practice. Hand washing and cleanliness will be recommended to players at all times.

2. Personal Hygiene Recommendations for Players: Avoid touching eyes, nose and mouth with unwashed hands. Cover cough and sneeze with inside of elbow or tissue. Discard tissues immediately after use. No spitting, no sharing of towels, and no sharing of clothing. Each player will have their own water bottle.

3. Club members will be encouraged to keep hand sanitizer for use in their bag.

E. Disinfection

1. Sharing of equipment will be minimized, and all equipment will be disinfected between every shared use. The Executive Board will be responsible for this. The club will get disinfecting supplies from the University using their campus account.
IV. Procedure Modifications: Very High Alert
   1. Practice will not take place.

V. Procedure Modifications: High Alert
   1. Practice will not take place.

VI. Procedure Modifications: Low Alert
   1. Practice will take place at outlined in this SOP.
