- b. President's Report –

- April 5th meeting – The full senate is invited to attend the executive committee meeting scheduled on April 5th where a guest from the IT Stakeholders group will be joining us to gather feedback from senators.
- IT policies approved at our last meeting have shown to have more changes needed to them and it would be best if we rescinded our vote of approval. Discussion ensued. The new policies are appropriate, but Senators were concerned that two sets of policies existed (this new version and older versions). Which do we follow? Also, a mediation process for those who are accused of violating the policies needs to be in place. At this time, the Senators voted to rescind our vote for those two reasons, specifically.

MOTION: Moved to rescind the vote of approval for the IT Policies from the by Frey/Schultz. Passed Unanimously
