USPDD 2019

USPDD – June 7, 2019

University Staff Professional Development Day was held on Friday, June 7 this year and was another huge hit with the staff who attended. There are roughly 350 University Staff working on the three campuses and around 170 attended some part of the day's event. Those who attended enjoyed a FREE day to enjoy the camaraderie of staff, received a FREE breakfast and lunch, attended three FREE sessions that are organized based on staff suggestions, received a FREE attendance gift (umbrella this year), received chances to win prizes throughout the day from donated items, played BINGO to end the day with another chance at winning prizes. The Chancellor most graciously supports this event and supervisors are encouraged to allow staff to attend.

If you were one of the staff who didn't attend, why not give it a chance next year and see what you're missing out on? You never know when our window of opportunity is going to close!
