

SAMPLE SYLLABUS STATEMENTS ABOUT THE WRITING CENTER

All UW Oshkosh students are eligible for free, one-to-one conferencing at **the Writing Center**. All writers can benefit from talking with engaged, interested readers about their work. Trained peer consultants help writers of all ability levels understand an assignment, envision possibilities for a draft, and improve their writing process. They also can help writers learn to identify and correct their own proofreading errors. Students can make an appointment or stop by to see whether a consultant is available.
